# Stillwater Public Library

# 2021 Planning Committee: Linda Tracy, Tom Boucher, Mary Herlt

#### **Process**

This plan has taken two years to complete due to meeting restrictions caused by the pandemic. The library worked with Paul Mays of Butler, Rowland, and Mays Architects, LLC to survey the public in May of 2019.

### Mission:

The Stillwater Public Library's Mission is to provide educational, informational, and recreational resources to patrons of all ages, cultural, and economic backgrounds. The library is committed to protecting intellectual freedom, promoting lifelong learning, and providing materials and resources that accomplish these objectives.

#### Vision:

The Stillwater Public Library will play an essential role in the intellectual, recreational, and creative lives of our community. We will excel in providing access to entertaining and educational resources; providing high quality, innovative services; playing a key role in introducing young families to the world of libraries; being a guide through the world of technology; and creating a welcoming and comfortable physical environment. We will do all of this through continued growth, expanding our space, and by finding ways to continuously improve.

# Values:

Stillwater Public Library's will bring a high level of courteous customer service to every person who needs it with resourcefulness, discretion, and efficiency. We develop relationships by providing needed information and access to materials, putting the patron first at all times.
