WARRIOR

1969

*Stillwater Central School
Stillwater, New York*

Foreword

We have always been told by our parents and other adults that we are living the best years of our lives. This we found hard to believe. How could the problems and struggles we faced during high school ever constitute any part of the best year of our lives? Now as our final year in high school comes to a close, we realize that these times are worth remembering.

The world awaiting us holds many new horizons and new friendships, but we will want to look back at our old friends and teachers with whom we have shared our growth toward maturity. Nor do we want to forget the many memorable experiences of high school. We almost wish time would stand still so we could always be together!

We realize the impossibility of our wish; therefore, this book portrays for others, and records for us, the times that have formed - the best years of our lives.

The staff of the 1969 WARRIOR consisted of eleven hard-working Seniors, who gave up most of their extra time to work on the yearbook. Ellen Nobles and Jack Overton, co-editors of the 1969 WARRIOR, organized the plans and got the staff going. These Seniors worked together, along with their advisor, Mrs. Butler, to produce a yearbook of which the staff and the student body can be proud.

Creating the yearbook was a constructive experience which can never be forgotten.

The advertising staff and the typists are to be thanked for contributing their time and service to the 1969 Warrior.

The advertising staff solicited and secured ads from nearby business establishments.

With the help of the typists, the yearbook staff was able to meet their deadlines and bring this yearbook to you.

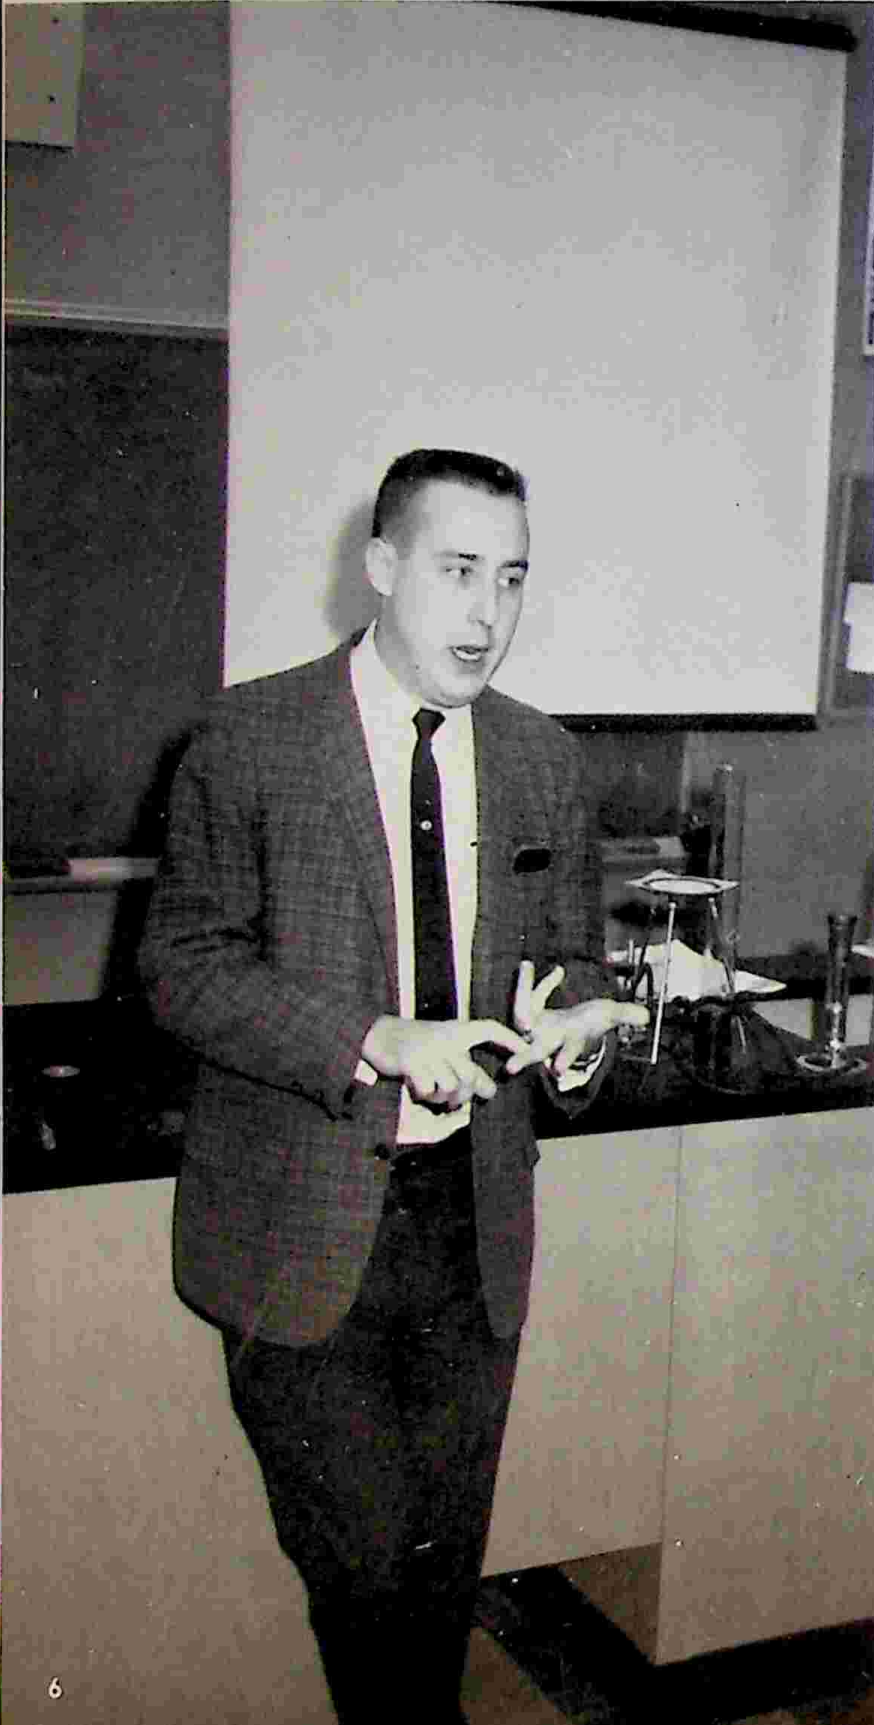

The assistance of both groups has been greatly appreciated.

Dedication

To the graduating class of 1969, he is more than a member of the faculty. He is our friend and advisor. To him we are more than students. We are young adults attempting to meet our goals.

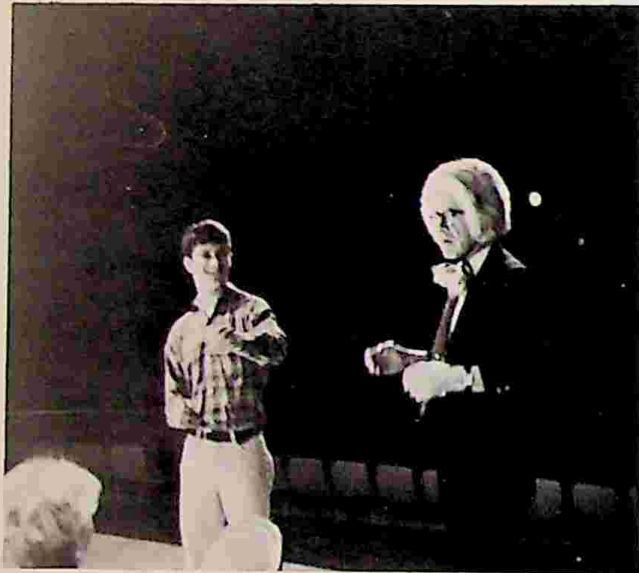

To Stillwater Central he has dedicated his knowledge and his desire to teach. To all of his students he has supplied a challenge and the means to fulfill it. To our athletic events he has devoted his time, sportsmanship, and enthusiasm.

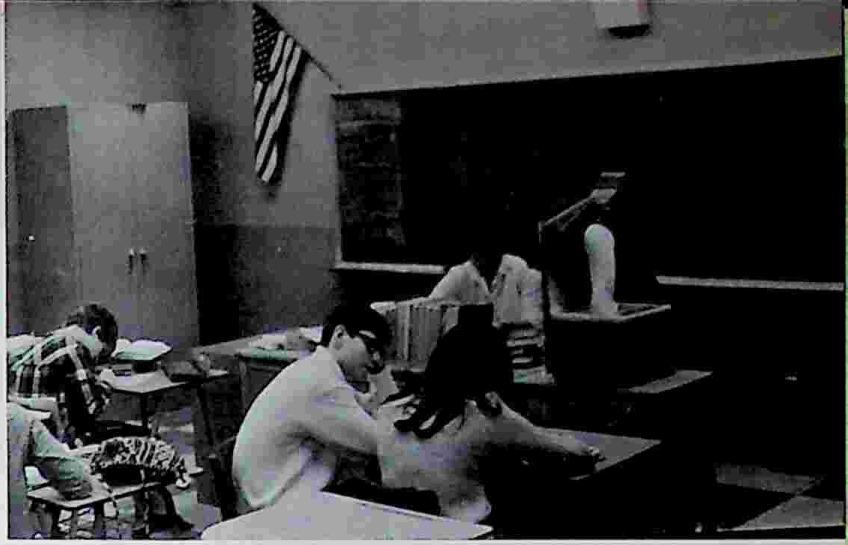

To Mr. Edgar Richards, instructor of Biology, we, the graduating class of 1969, dedicate this book.

Core Curriculum

“Service to a just cause rewards the

satisfaction than any other ven-
ture of life.”

ACTIVITIES

Student Council

Through the Student Council the students of Stillwater Central School become involved in the affairs of their school; for the purpose of the Student Council is to coordinate school activities between the faculty and students. One of the major activities of the Student Council is the raising of money to help a United Nations Program concerned with the building of schools in foreign countries.

The Student Court which has not been in effect for several years is again in existence. Jim Bryan, works in cooperation with Mr. Porter. The members of the court have been called together several times to advise and consult with Mr. Arnold about disciplinary actions concerning the students.

Student Court

Library Club

The Library Club assists our librarian, Miss Main, in all aspects of library work. Their work not only has helped the students and the librarian but has made it possible for our library to expand and become more efficient.

Photography Club

The Photography Club, under the guidance of Mrs. Peterson and Mr. Evans, is composed of students interested in the technical skills and beauty involved in photography. The club helps in taking and developing pictures for school organizations.

National Honor Society

The National Honor Society is an organization sponsored by the National Association of Secondary School Principals to create enthusiasm for the scholarship, to promote a desire to render service, to promote worthy leadership, and to encourage the development of character.

Members are selected from students in the junior and senior classes who have achieved an average of 85% or more and who, in the opinion of the faculty, have proven themselves outstanding in service, leadership, and character. Probationary members are received into full membership in their junior year providing that they continue to uphold the four qualities of scholarship, leadership, service and character.

Varsity Club

The Varsity Club is one in which one must be unanimously voted on by the other members before he can himself become a member. To be eligible for membership one must have earned at least one varsity letter while attending Stillwater Central School. The members promote school spirit and good sportsmanship - beneficial qualities needed and striven for by all schools.

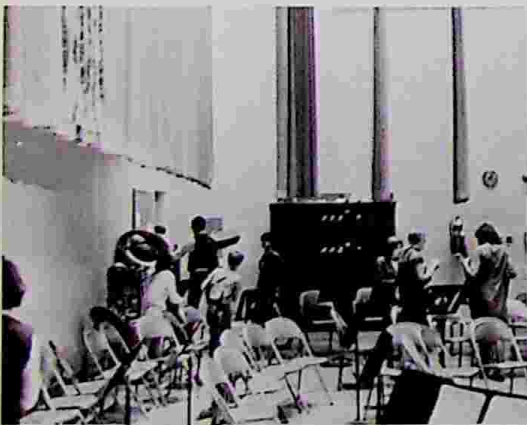

Leaders Club

The Leaders Club is rather a new club to our school. The members are chosen on the basis of their leadership abilities and their participation in both class and intramural activities. The purpose of the organization shall be to encourage and develop leadership qualities, to assist in all phases of the Physical Education Program. Mrs. Ravena is their advisor.

Senior Band

This year the Senior Band has been working hard to achieve a symphonic band style. It has given two school concerts, participated in parades, and is a participating organization of the Albany Symphony. The activities of the band are open to all students who desire to express themselves through music. Mr. Saetta is their advisor.

Future Farmers of America

The Future Farmers of America is coordinated with the agricultural courses offered in our school, to the BOCES program, and to the other county-wide chapters. Their activities include regular meetings, an annual Christmas tree sale, and turkey sale. This year they were hosts for the Tri-County League meeting. Under the guidance of Mr. McClay, the Future Farmers further their knowledge and experience in agriculture.

Wrestling Club

A new activity for Stillwater Central School is wrestling. Wrestling is a sport which requires skill and practice just as the more widely recognized sports of football and basketball. By next year we hope to have a wrestling team ready and eager to participate in meets with other schools.

Senior Chorus

This year the Senior Chorus has sought to achieve new heights in the world of music. The director is Mr. Coker. The chorus has given winter and spring concerts, both of which were well performed

Junior Chorus

With the Senior Chorus, this group of seventh and eighth grade students participated in the winter and spring concerts. Their director is Mrs. Melin.

Audio-Visual Club

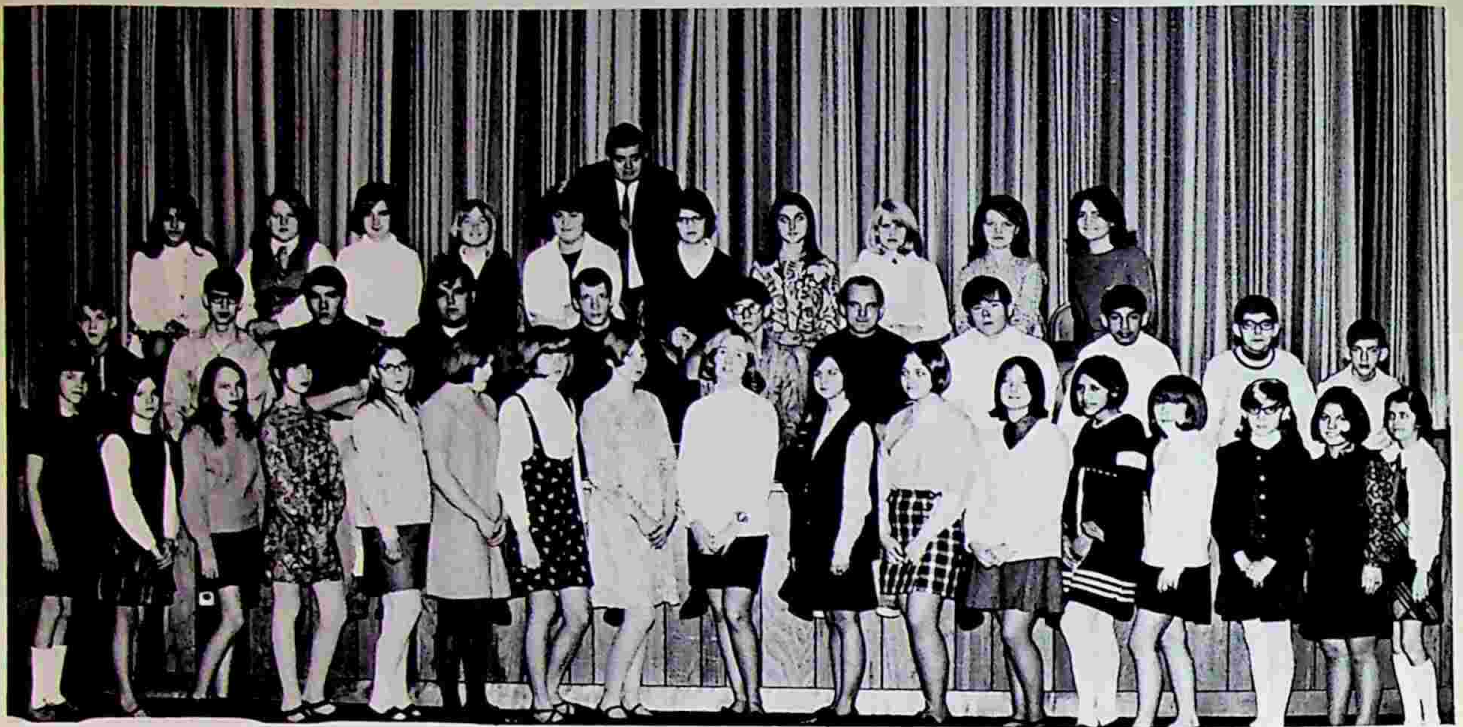

The Audio-Visual Club, under the direction of Mr. Borst, is one of the most important clubs to the school. The members keep track of and care for all the audio-visual equipment. The inner organization of the members helps to keep the school running smoothly.

The members of the Airplane Club, under the supervision of Mr. Evans, learn and develop the skills of aviation as a hobby. They come to know the enjoyment of flying their planes and at the same time, learn the mechanics involved.

Airplane Club

Dramatics Club

In the Dramatics Club those students of Stillwater Central who have a desire for creative activity find an outlet for their talents in working on a musical production under the direction of Mr. Baker and Mr. Coker.

Chess Club

The members of the Chess Club and their advisor, Mr. Loggins meet frequently to engage in games among themselves. Occasionally contests may be scheduled to compete with other schools in the area.

Math Club

The Math Club is dedicated to the belief that besides being useful, math is fun. The club has a gay, active atmosphere wherein math comes alive. The members have participated in a field trip to General Electric, Math Contests with other schools, and in regular meetings. Their advisor is Mrs. Bean.

Secretarial Service Club

The Secretarial Service Club, under the guidance of Mrs. Rooney, provides services to the faculty and to students. They also offer their assistance to community groups such as The Salvation Army and The Fire Department. Their assistance is greatly appreciated by everyone.

Newspaper Club

The Newspaper Club is one of the clubs that provides a service for the school. With the aid of its advisor, Miss Reed, the club circulates a newspaper for and by students. The club has sponsored some activities, among them Hat Day. The staff is kept busy writing humorous and informative articles.

"If I should lose, let me stand

ATHLETICS

Varsity Football

The 1968 Warrior football squad proved to be the best Stillwater has seen in recent years. With 16 lettermen returning from last year's team, the Warriors, while not being rated as the top contender for the Tri-County League title, were, nevertheless, given an outside chance to win.

The first game of the season saw Stillwater travel to Ockawamick High for a non-league game. The Warriors were picked as the underdog in the game, but the quality and superb physical condition of our team became apparent when we emerged with a 21-7 victory.

Our next game, also non-league, was with South Glens Falls on our field. South High led 6-0 for three quarters, when, early in the fourth quarter, the Warriors took a 7-6 lead. South High, however, fought back to score another touchdown and eventually went on to win 12-7.

Schuylerville, a traditional rival, afforded our first league competition. The game, played at home, saw Stillwater romp over the Horses in a 48-13 win.

The following Saturday Stillwater faced a well-drilled Hoosick Falls team at our opponent's gridiron. Strong running by our backs and an impenetrable defense brought the Warriors a 20-0 shutout.

Returning to Stillwater, the Warriors next faced the St. Peter's eleven. Although it rained throughout most of the game, the Warriors fought to an easy 27-2 victory.

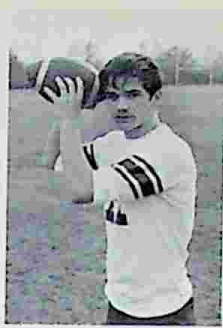

Cambridge, a top championship threat, was next in line to fall to the Warriors. Playing at home, Stillwater once again exhibited its explosive offense and unrelenting defense in a 26-0 whitewash over the Indians.

The stage was now set for the championship game with Greenwich, also undefeated in league play. At the end of the first half, the Warriors found themselves trailing 13-0, but the second half was a different story as Stillwater fought back to tie the game at 13-13. On what was to be the last play of the game, the Witches' quarterback dropped back to pass. Finding no one open, he was forced to run, and no Stillwater man was able to stop him. No member of the Warrior squad, especially the fourteen Seniors, will ever forget the last six seconds of the game in which we lost the championship to Greenwich in a hard fought 19-13 defeat.

The 1968 Varsity Baseball team finished the season with a 8-5 record, for a second place tie in the Washington County League. The team also finished second in the Class D Sectionals, losing to Lake George in the finals.

With the loss of only two players after graduation, the 1969 Warriors should be one of the best teams in the league.

The 1968 Varsity Track team ended the season with a 1-4 record. However, with most of last year's lettermen returning to the squad, the 1969 season should prove to be the best in many years.
