Song

Come Sail Away

I'm sailing away
Set an open course for the Virgin Sea.
Because I've got to be free
Free to face the life that's ahead of me.

Oh board I'm the captain
So climb aboard.
We'll search for tomorrow
On every shore.

And I'll try, To Carry On.

I look to the sea
Reflections in the waves spark my memory
Some happy, some sad
I think of childhood friends and the dreams we had.

We lived happily forever
So the story goes
But somehow we missed out on the pot of gold.
And we'll try best that we can
To carry on.

A gathering of angels appeared above my head
And sang to me this song of hope and this is what they said
They said
Come sail away, come sail away,
Come sail away with me
Come sail away, come sail away,
Come sail away with me.

I thought that they were angels
But come to my surprise.
They climbed aboard our starship
And we headed for the skies.

Come sail away, come sail away,
Come sail away with me.
Come sail away, come sail away,
Come sail away with me.

The Varden Portrait

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in portraiture. When you graduate, don't settle for less.
