Mrs. Barbara Raymond, clerk
Mr. Frank Kushneir
Mr. William Overocker
Mr. Edward Finigan, Jr.

The "1986 Warrior" is dedicated to Mrs. Martin and Mrs. Mullady. They have enriched all of our lives, and each of us has inherited a part of them. They helped us through the difficult years now behind us and have prepared us for those years ahead. We have enjoyed our years at Stillwater Central High School with these people and we thank them for their dedicated work.

These can't be mine!

I look better now!

What do you think, should I send it back?

It's worse than I thought!

Thank goodness we only have to do this once.

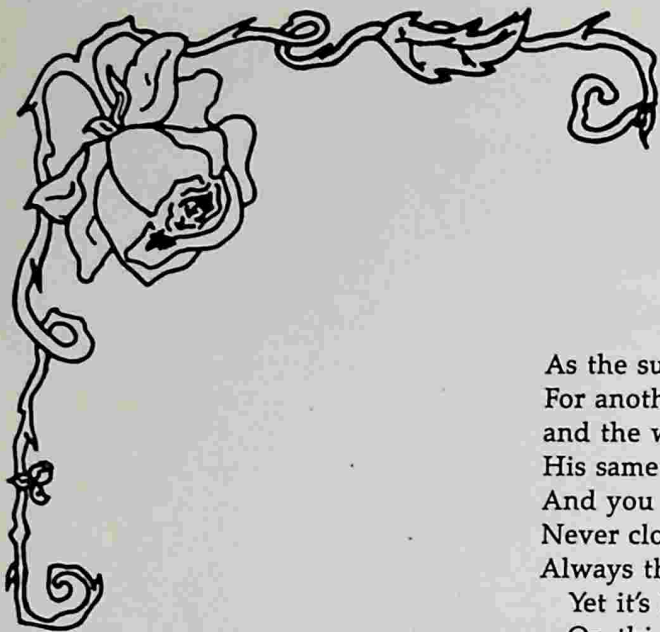

I'm afraid to look!

GOODBYE
BY: NIGHT RANGER

As the sun hides his head
For another night's rest
and the wind sings
His same old song
And you on the edge
Never close, never far
Always there when I needed a friend
 Yet it's hard living life
 On this memory-go-round
 Always up, always down
 Spinning 'round and 'round

And all this could be
Just a dream so it seems
I was never much good at goodbye

There once was a time
Never far from my mind
On the beach, on the 4th of July
I remember the sand
How you held out your hand
And we touched for what seemed a lifetime
But it's hard
Leaving all this behind me now
Like a schoolboy so lost
Never found until now

Yet it's hard
Living life on this memory-go-round
Always up, always down
Turning 'round and 'round

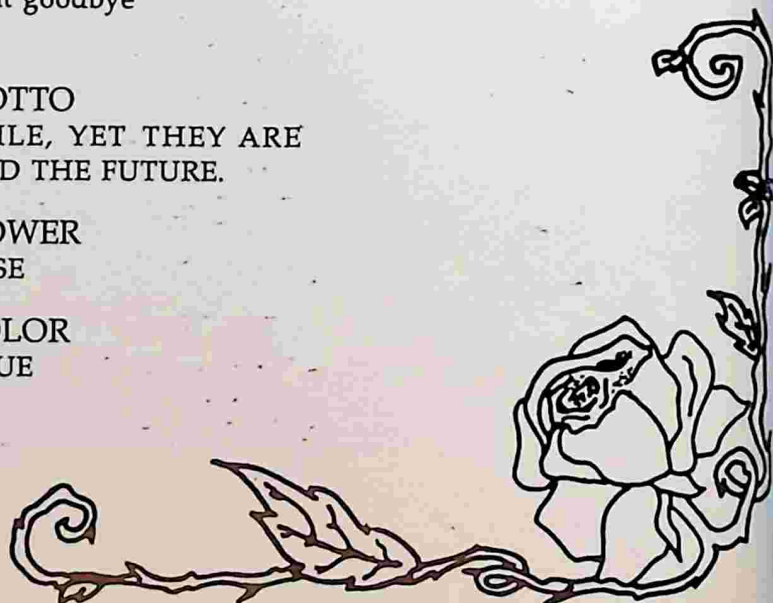

And all this could be
Just a dream so it seems
I was never much good at goodbye

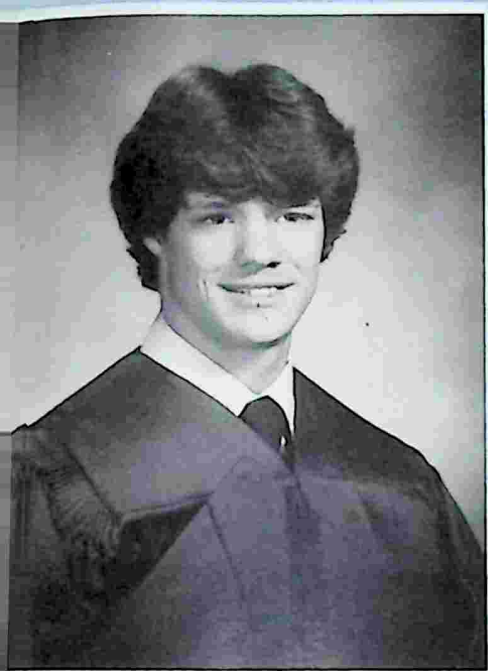

GOODBYE

Have you ever really known how much Stillwater's clubs benefit the school, as well as the community? We would like to share with you the many facets of our clubs.

Many of our clubs offer their services to the community. The Key Club conducts the blood mobile and raises money to aid in the research of different diseases such as the Arthritis Foundation. The SADD chapter, Students Against Driving Drunk, emphasizes to students that under the influence of alcohol, your senses are weakened and your driving skills diminish, causing a fatal accident possibly to you or others. The Substance Abuse team; trained by Judy Eckman, educate the 6th graders about commonly abused substances such as alcohol and drugs. The Student Council raises funds to improve the conditions and physical appearance of our school. The Choir, Band and Colorguard also provide entertainment for our

community during the holiday seasons.

Another important area of any school is the team work found in the clubs which promote school spirit. Key Club and Student Council cater to the school's social activities with dances, canteens and roller skating parties. The Yearbook Staff works to design and organize a yearly document of our school's activities. The Varsity Club represents to each student a sense of achievement in their acquired sport. The Math League is a team of students who represent our school at competitions. Finally, the Secretarial Services are a group of students who help teachers, thereby gaining skills for use in the business world.

As you can see all of our school's clubs have a purpose. Whether it be educational or recreational their common goal is to serve both community and school. Now let's meet those student members.

THE STILLWATER TEACHER'S ASSOCIATION CONGRATULATES THE CLASS OF 1986

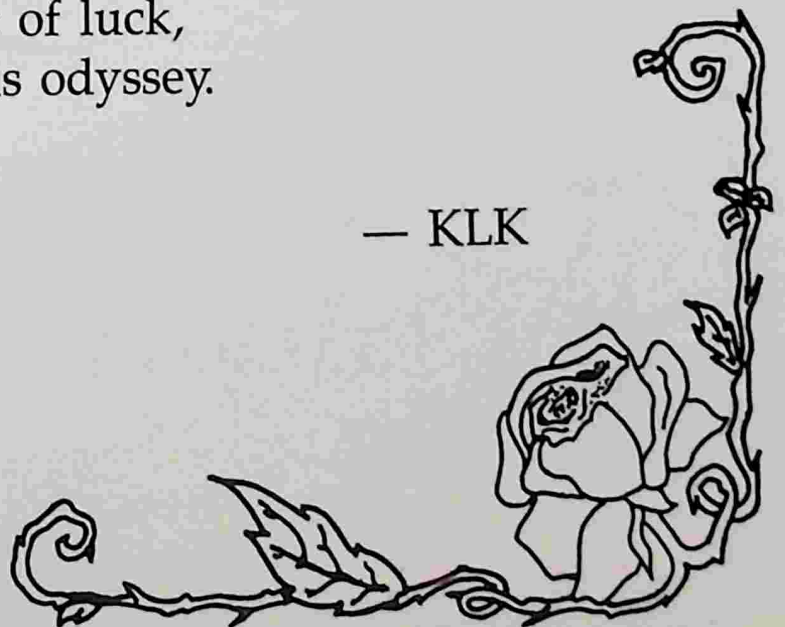

You, who have been in touch with these walls,
must now find a destiny.

You, who have been each other's comrades,
must now seek new allies.

You, who have seen life's experiences trickle
through these years,
must now begin a challenging new phase of life.

You, who we wish the best of luck,
must now continue this odyssey.

— KLK
