DEDICATION 1987

This year the Senior class would like to dedicate the 1987 edition of "The Warrior" to our principal, Mr. Robert Quinn and our parents.

Mr. Quinn has shown us a tremendous amount of support throughout our years at Stillwater Central School. When our class needed help Mr. Quinn was always there to give us sound advice. We would like to express our appreciation and gratitude for all his efforts have not gone unnoticed. Thank you for making our most memorable years a little bit easier.

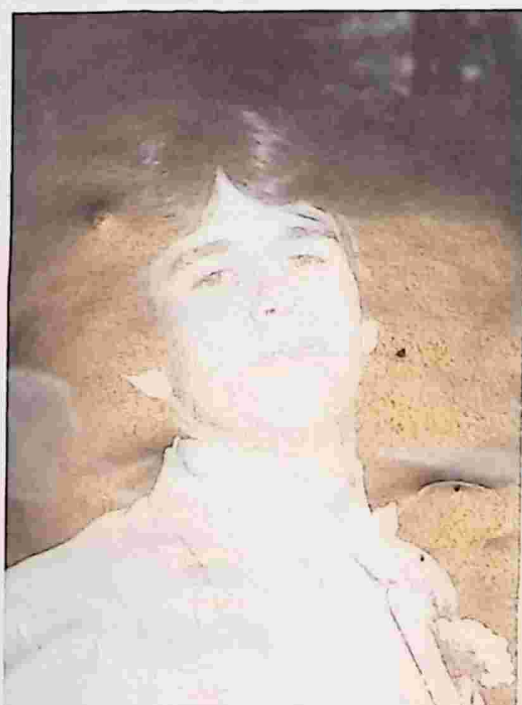

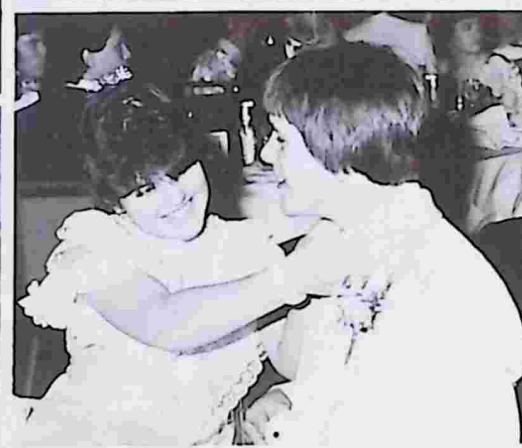

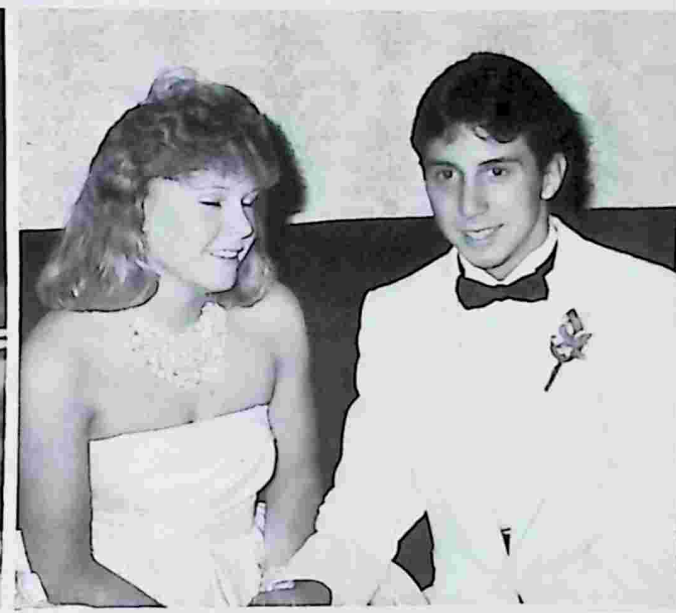

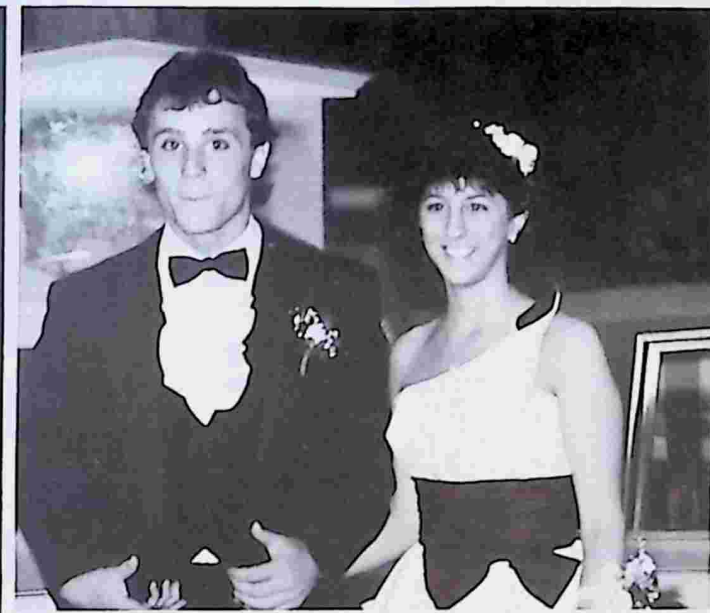

DEDICATED TO THE ONES WE LOVE, OUR PARENTS

BY Valerie Grovenger

*We dedicate this book to you,
To thank you, from our hearts.
We'd like to thank you,
for all that you have taught us,
and all that you have done.
This ensures us, that from our problems,
We will never run.
These are the things, that in
school we never, ever learned.
The most important things in
life are those not seen or heard
but quiet little tendencies
that mean more than just a word.
Eighteen years have made us all so rich.
Many, many more of these is
all that we could wish.
Thank you for your Love,
your knowledge and all your support.
This is what we will remember
when we're far apart.*

S E N I O R S

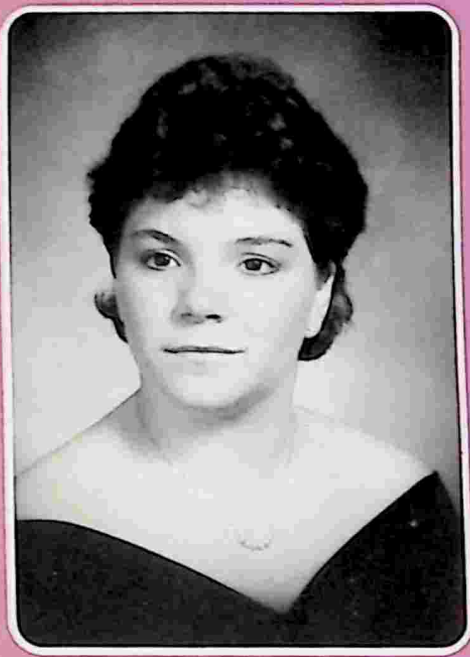

*It's June 19th, we're on the stage
Our futures do await,
But as we take that final step,
We all do hesitate.*

*We remember all the basketball games,
Volleyball and such,
All the things we held so dear,
We will miss oh, so much.*

*Our futures lie ahead of us,
Our destinies to find,
Our place within life's cycle,
Our mark on all mankind.*

*As we cross yet another bridge
It's difficult to part,
But we'll always have our Alma-Mater
stored within our heart.*

Leaving

Though you're leaving now
for something different to find,
Don't forget the special friends
that you're leaving behind.
In each of us lies a desire
or a need to be somewhere else,
But that is just the innermost
knowing of the self.
Time seems to speed up
and moments together slip away
As the long awaited tomorrow
is suddenly today.
The friends you've made here
will be forever in heart
And the memories of times had
will never depart.

we see times that we've shared

where no dim shadows were cast,
And now we'll grow apart,
Except the memories will always
linger in our hearts!*

CANDIDS

UNDERCLASSMEN

*Well, we're leaving now, yes,
it's sad but true,
And I guess we're leaving
the school all to you.*

*Take care of our Alma-Mater,
sing it and do us proud,
But please, some of you guys,
don't sing it out loud!*

*I mean, we know you have a
way to go,
And for some of you, it really
shows!*

*If your silly antics determine
your fate,
We all hope and pray that
you graduate!*

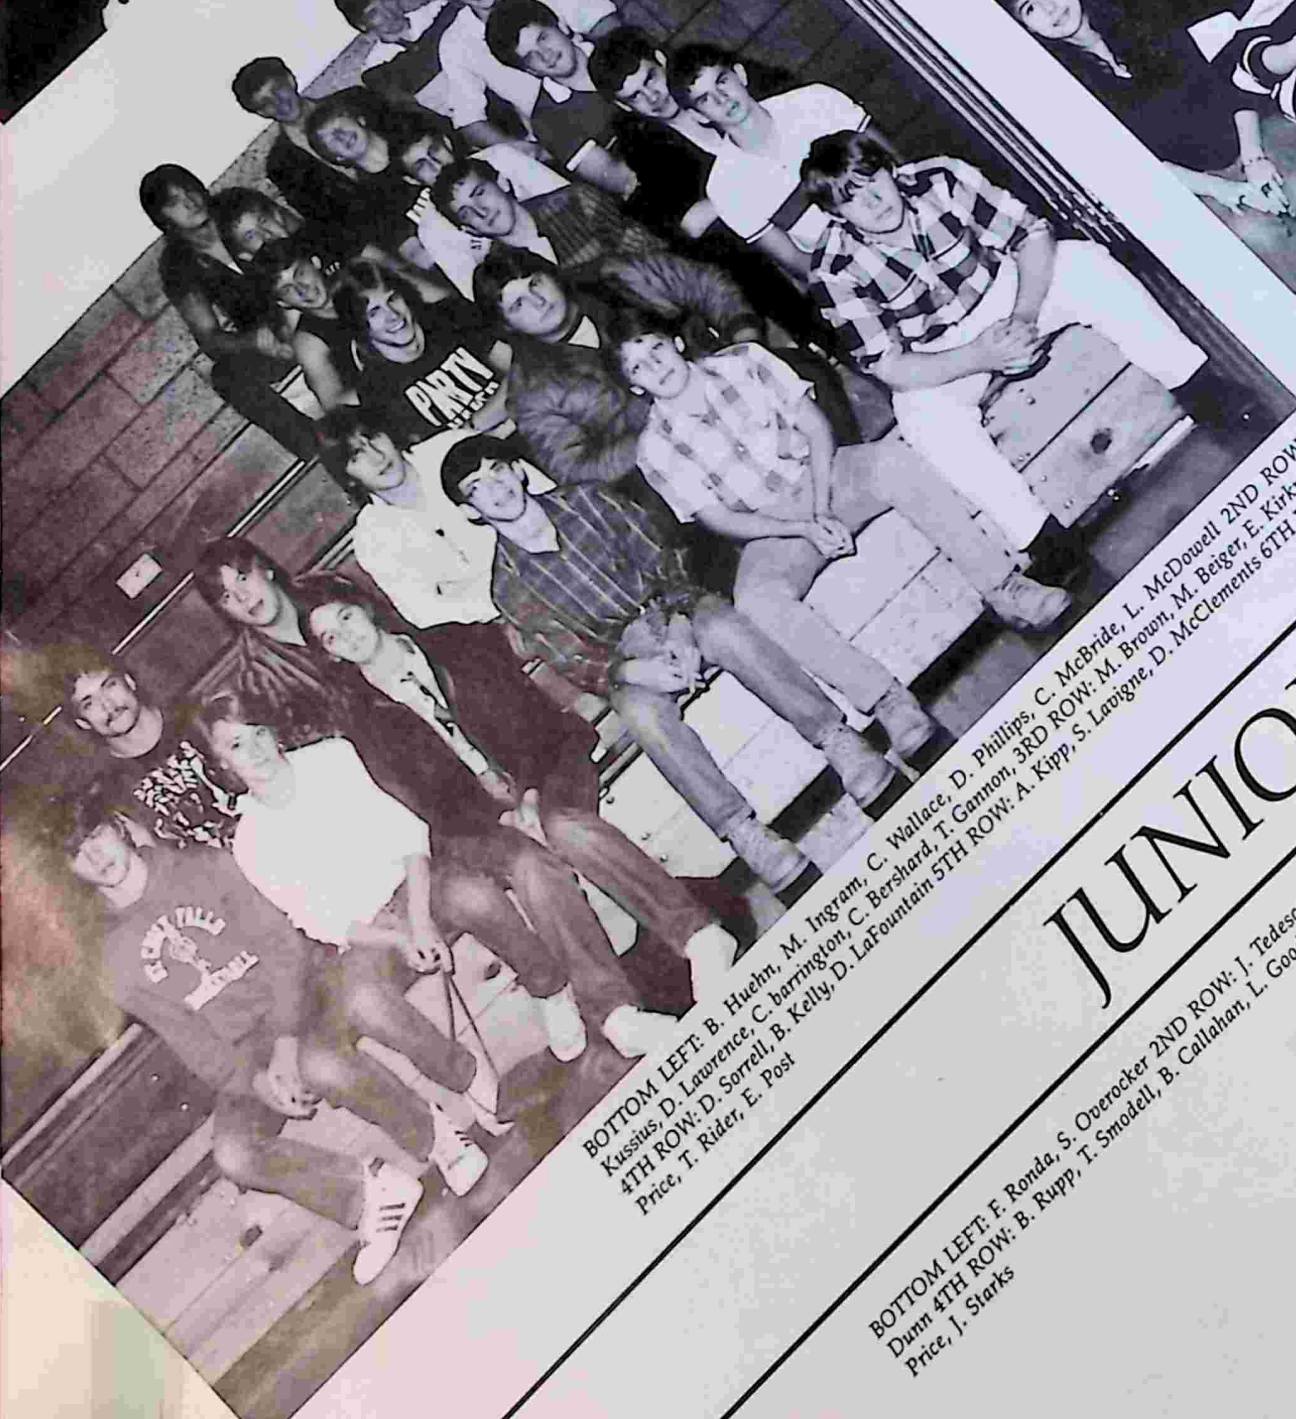

*Please leave our school the way it is
because the time will be coming soon,
We want our school standing when
we decide in five years to renew.*

*Well, the Senior Class says
"It's all up to you"
So, we wish you all the luck
in whatever you do.*

*They're smaller than you and I
But anyone you ask will say,
With a smile stretched out a mile,
They'll brighten anyone's day.*

*Growing each hour in both knowledge and height
It's very plain to see,
That their futures will be oh, so bright,
But it is up to you and to me.*

Good Friends . . .
are beside you in trouble
behind all of your dreams
in touch with your feelings
and into your schemes
above making judgments
upfront from the start
around when you need them
and near to your heart.

**KAREN, CAROL,
KELLY, HALLIE,
HEIDI, JILL,
AND MEGAN**

BEST OF FRIENDS

There's always been the six of us,
We've had our good times and our bad,
We're the best of friends we've ever had.
Yet through all the joy and the strife,
These were the best times of our life.

**RACH, JEN
VIC, VAL,
SHEL, AND SUE**

Many good times have come and past
but the memories will always last.
You were always there when I was down
and made a smile out of my frown.
Though in years we may grow apart
You'll always have a special place in my heart.
We'll meet new people throughout time and space
but the friendship we shared you can't replace.
The years spent together have been the best
but now is the time to continue our quest.

**DARCY
MARIA
CHRISS**

Well, it's all over and done
The time has come
for us to say good-bye
But when we leave,
We will not grieve
But maybe we will cry.
When we think of our futures
And look at our pasts,
We wonder if the friendship will really last.
From diapers at the mall
To sneaking to camp in the fall
No one could ask for more.
Driving in the Chevy past nine
And chasing guys that were oh, so fine
Our weekends were never a bore.
But now we must go
We will miss each other, how much?
Well, we'll never know!
As we, Kelly, Robin, and Kim,
shut the door . . .

WHAT IS YOUR DEFINITION OF A...

FRESHMAN

- ... A freshman is a student that feels that high school will never end.
- ... A freshman is an over sized 8th grader with an undersized maturity level.
- ... Being a freshman is a new beginning. You're at the bottom of the top once again.
- ... A 9th grader who is usually stuck in the middle, one who may get away with too much but sometimes not enough.

SOPHOMORE

- ... A sophomore is a student who just starts to realize how difficult high school can be.
- ... When I think of a sophomore, I think of that poor soul that has to study daily for the Biology "Quiz A Day Club."
- ... A sophomore is a person who is relieved that their freshman year is finally over.
- ... A sophomore is someone who is too old to be pitied and too young to be a part.

JUNIOR

- ... A junior is an individual who possesses a tremendous amount of ambition and drive. We realize the challenge that lies ahead and we will face it using the knowledge, leadership and responsibility that we have acquired through the growing process known as high school.
- ... A junior is a person who thinks that he or she is a senior with just another year of school left.
- ... Juniors think they are the leaders of the school but are just over confident.
- ... A junior is Jon Mueller or someone who thinks he is.

SENIOR

- ... A senior is like a book, full of the secrets of life and waiting for the world to draw open its pages.
- ... A senior is someone, who feels they can boss underclassmen around and does, who thinks that they are superior and acts it, who will be gone the next year and knows it, who is looked up to and loves it.
- ... A senior is a person who is looked to, out-going and well known. Seniors are liked by their peers, they usually have a lot of friends and they are nice most of the time.
- ... A Senior is someone who reveals to you only the bottom side of their nose.
