1989-1990 EDITION*

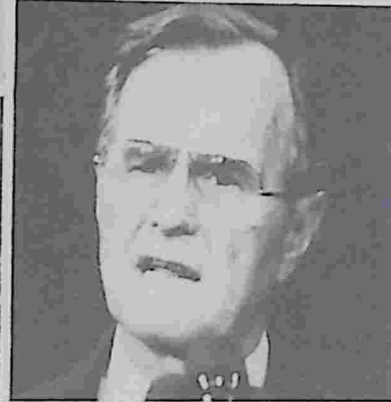

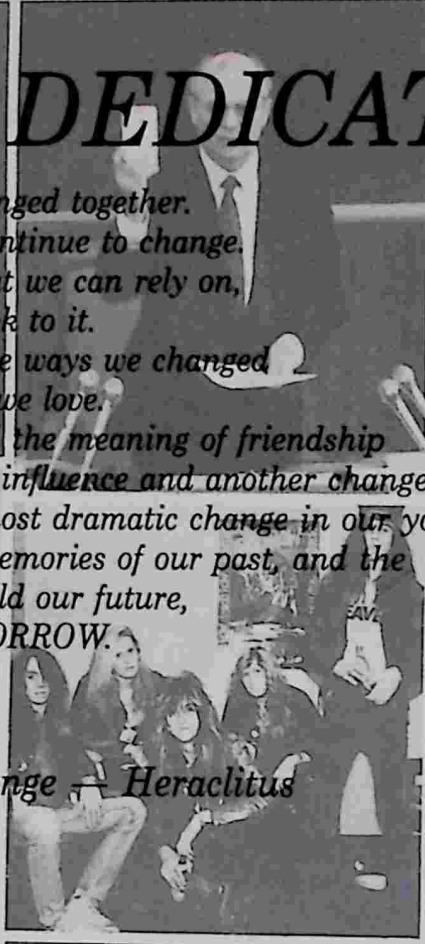

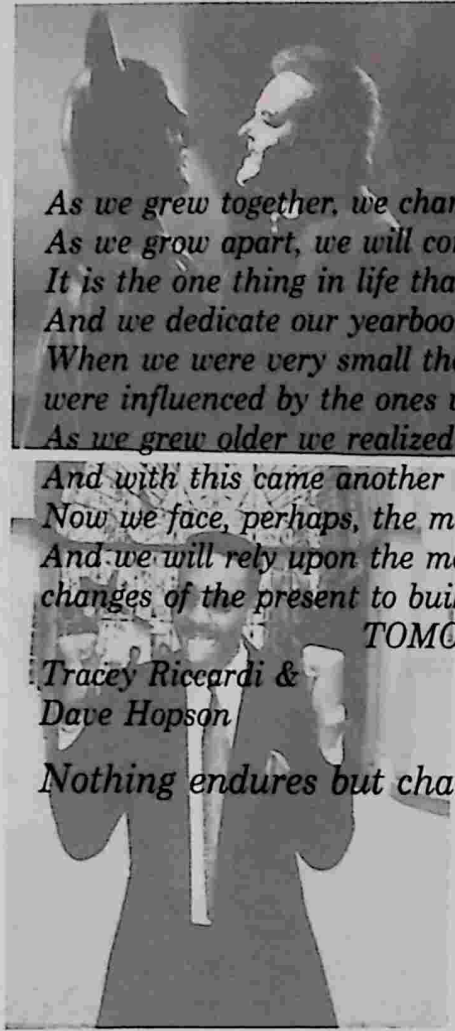

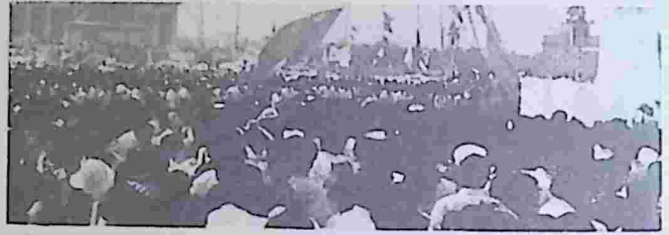

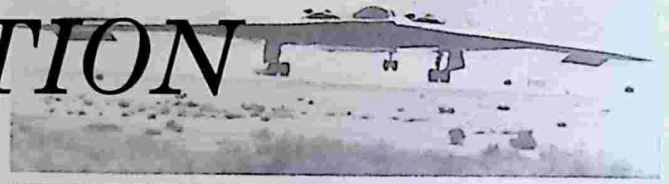

# DEDICATION

*As we grew together, we changed together.  
As we grow apart, we will continue to change.  
It is the one thing in life that we can rely on,  
And we dedicate our yearbook to it.  
When we were very small the ways we changed  
were influenced by the ones we love.  
As we grew older we realized the meaning of friendship*

*And with this came another influence and another change  
Now we face, perhaps, the most dramatic change in our young lives!  
And we will rely upon the memories of our past, and the  
changes of the present to build our future,  
TOMORROW.*

Dave Hopson*

# SENIOR TRADITIONS

## Class Song — WILD WORLD by Cat Stevens

*Now that I've lost everything to you  
You say you want to start something new.  
And it's breaking my heart you're leaving  
Baby I'm grieving.*

*But if you want to leave, take good care.  
Hope you have a lot of nice things to wear.  
But then a lot of nice things go bad out there.*

*Ooh Baby baby its a wild world  
It's hard to get by with just a phony smile  
Ooh Baby baby its a wild world  
And I'll always remember you like a child, girl.*

*You know I've seen a lot of what the world can do  
And it's breaking my heart in two  
Because I never want to see you sad girl  
Don't be a bad girl  
But if you want to leave, take care.  
Hope you make a lot of nice friends out there  
But just remember there's a lot of bad and beware.*

*Baby I love you  
But if you want to leave, take good care  
Hope you make a lot of nice friends out there  
But just remember there's a lot of bad and beware.*

## Class Color — Barcelona Electric Blue

## Class Flower — Auretha (Jamaicana)

## Class Motto

*Through the years we've cried our tears,  
We've shared our dreams, we've shared our fears.  
Divided, we stood tall and proud.  
Our friendships were strong, our laughter was loud.  
Through it all we took our falls,  
But when all is said and done,  
As individuals we may vary,  
But together we are one.*

**OUR FRIENDSHIP**

There are so many things  
to do each day

There is so much going on in the world  
of great concern

that often we do not stop and think about  
what personally is really important

One of the nicest things in my life  
is my friendship with you

and even if we don't have a lot of time  
to spend with each other

I want you to always know  
how much I appreciate you

and our friendship.

FOREVER

I'll never forget those good times  
we've had.

I'll never forget those secrets  
we've shared.

This year went by in just no time.  
And when I graduate I'll have you in mind.

I wish I could relive those high-  
school years,

So I wouldn't have to shed these  
dreadful tears.

So when we say goodbye we will  
all be together, because our  
friendship will last forever  
and ever.

## TRIBUTE TO PAST FRIENDS

*Good friends are priceless.  
Nothing can replace them.  
They walk beside us through the good times,  
and they carry us through the bad.  
Sometimes they have to go their separate  
ways, but no distance can break a friendship.  
Whether fate carries them to the next town  
or all the way to Texas!*
