“THE WARRIOR”

1991-92 EDITION

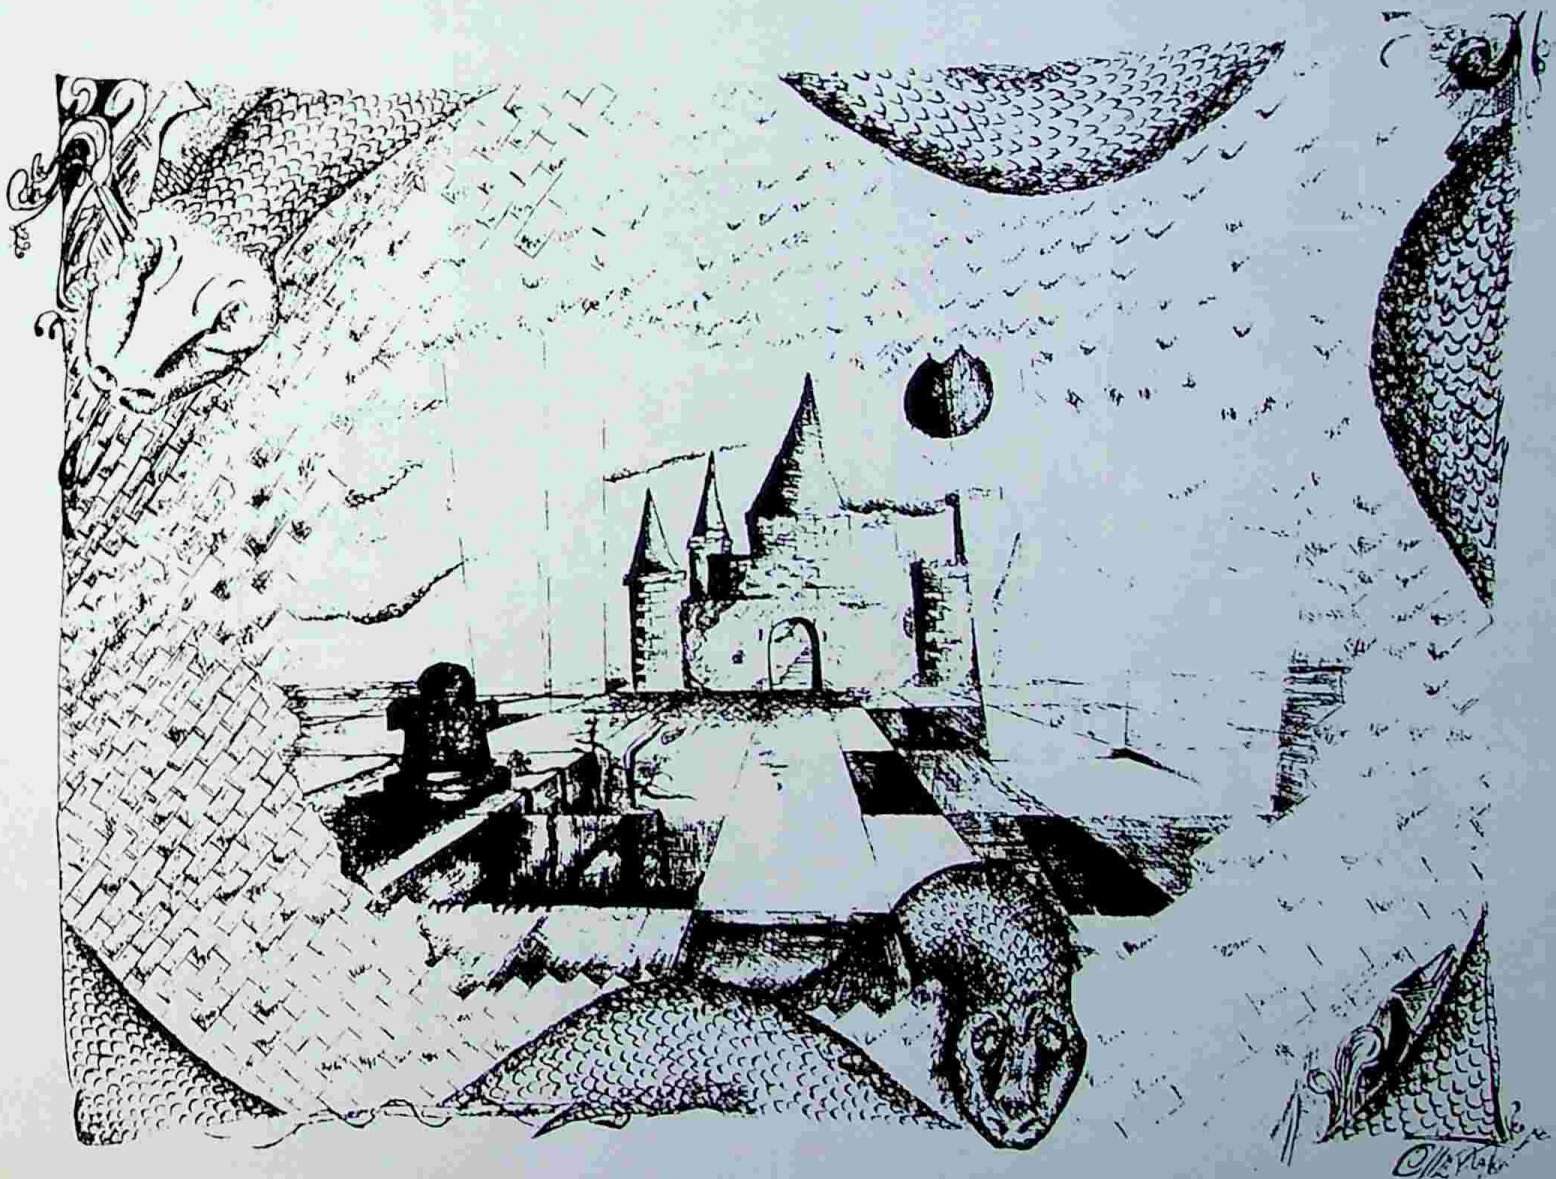

WHERE IT ALL BEGAN . . .

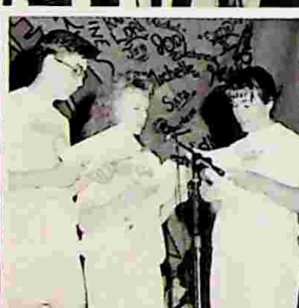

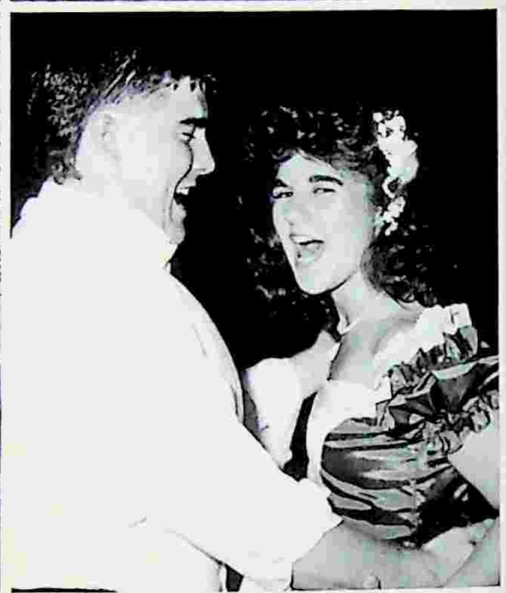

DEDICATION

*The future and the past are intertwined.
They're the same, yet so different.
Your big aspirations stand far off in the background,
like a huge, gleaming castle.
Between you and the castle there are many
different paths to be seen.
Some have shining beacons of light
to help you along on your journey,
While others have pitfalls to try and stop you.
Half of these choices are yours to make,
the others are predetermined.
The path between you and your dreams
sometimes may look so difficult;
But other times it looks straight and simple.
Whatever you have achieved over the past
years go forward with an open mind.
We, the Class of 1992 dedicate our
yearbook to our futures.*

SENIOR TRADITIONS

Class Color: Black/Teal

Class Flower: White Rose

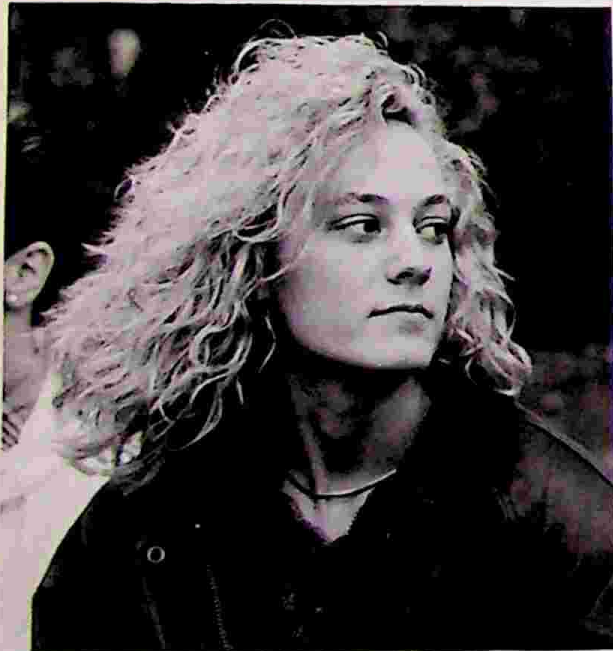

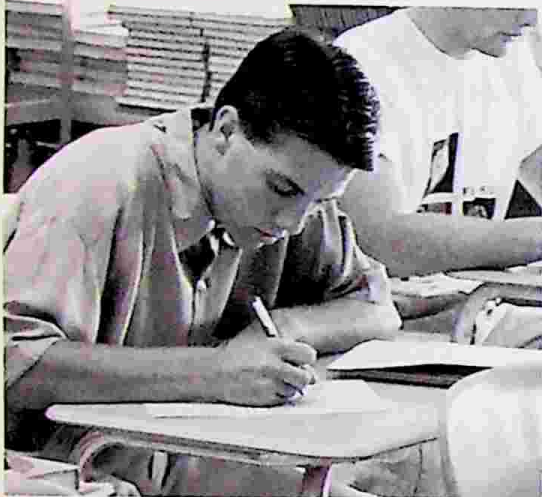

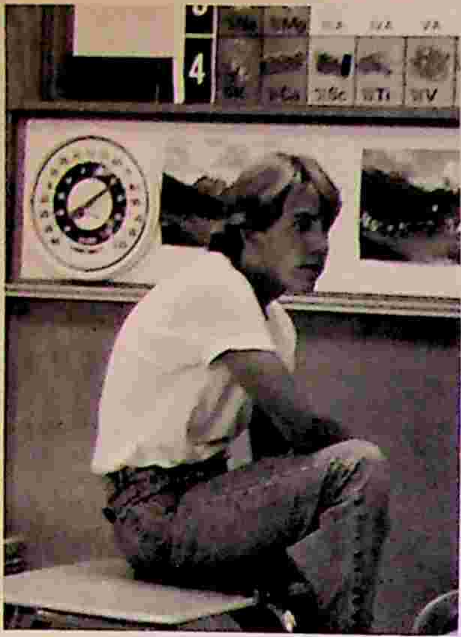

Class Song: Damn Good

Time goes on, that's as it should be, here and gone, seems to move so quickly, man we were happy in our restless hearts it was heaven right here on earth. Yeah we were laughing as we reached for the stars and we had some for what it was worth. Those were good times Damn good times, those were the good times Damn good times. Hey take a look at this picture can you believe that was you and who's that standing there in the corner not me-all the crazy things we used to do sure we was acting like a couple of kids could you remember, you know that it is I still feel it like the sun on my skin maybe thats better, cause these are good times, Damn good times talking bout good times Damn good times. So its one for the money that don't make the show no-no. Count to three and I'll be ready, Yeah, follow that road-yes-I here on earth, ain't nothing like it when we're reaching for stars and you grab one for what it is worth you can tell me We'll be having good times Damn good times I'm talking good times Damn good times — Good Times

Class Motto:

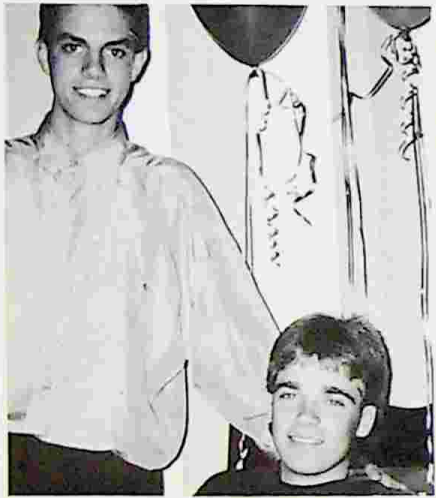

We look back on all of the memories and realize what we've shared, the smallest things are stored in our minds like stone. The times we've laughed and cried together we've watched each other grow-mentally and physically. We grew together as one. We're all the same, yet at the same time, we're totally different. We'll all go on in our own direction, but each of us will carry with them a part of the others — and the very special memories that we've all helped to create, will be in our hearts now and forever.

FACULTY

When we think of special things we will be leaving behind.
We often think of the teachers, who were so thoughtful and kind.

They have given us knowledge for what lies ahead.
We have listened and learned from what they have said.

From the start of our journey until the end.
They have guided and treated us just like a friend.

When it's time and we all have to part.
We will always remember them all in our heart.

WISDOM THROUGH LIFE

Share everything. Play fair. Don't hit people.
Put things back where you found them. Clean up
your own mess. Don't take things that aren't yours.
Say you're sorry when you hurt somebody. Wash
your hands before you eat. Flush. Warm cookies
and cold milk are good for you. Live a balanced life-

learn some and think some and draw and paint and
sing and dance and play and work every day some.
Take a nap every afternoon. When you go out into
the world, watch out for traffic, hold hands and
stick together. Be aware of wonder.

LISA LYNN CUILLA

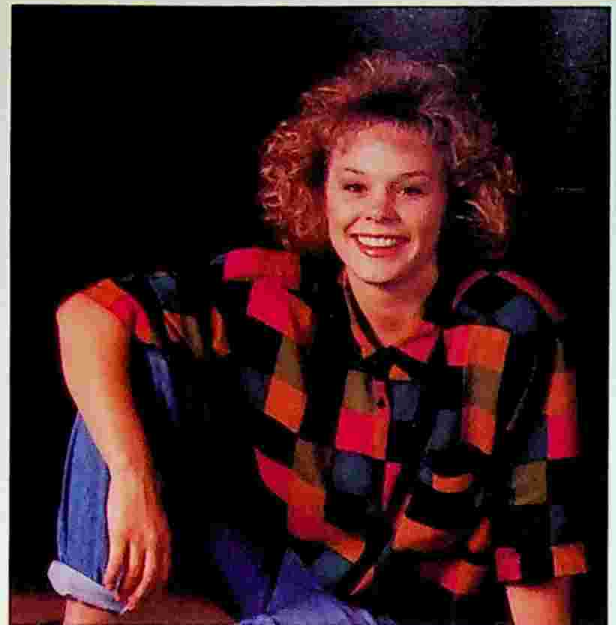

Memories of a Friend

To those of us who didn't know her she was just a smiling face in the hallway, but to those of us who had the chance to know her knew that she was much more. Lisa was not perfect; no one is. She grew up with many of her own problems but always had enough concern for everyone around her. Lisa was very free-spirited; filled with compassion and always handing out advice wherever she thought it was needed. Her loud laugh and tight hugs will never be forgotten. Lisa Lynn Cuilla was a very unique person who will always be remembered.

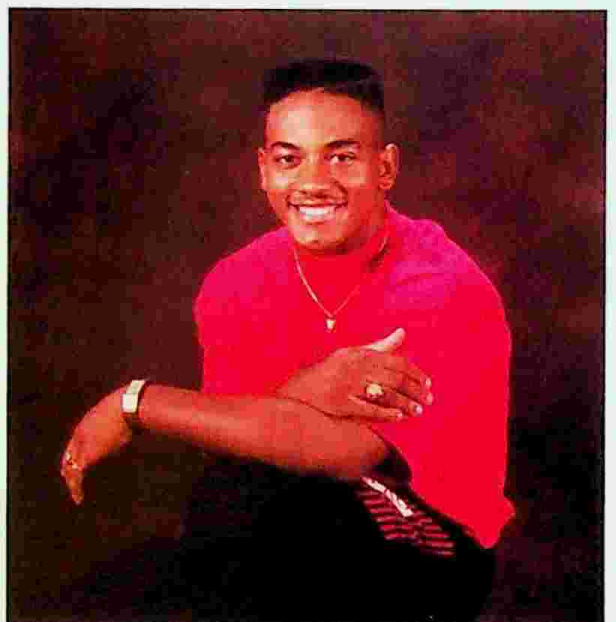

"Well okay I will"

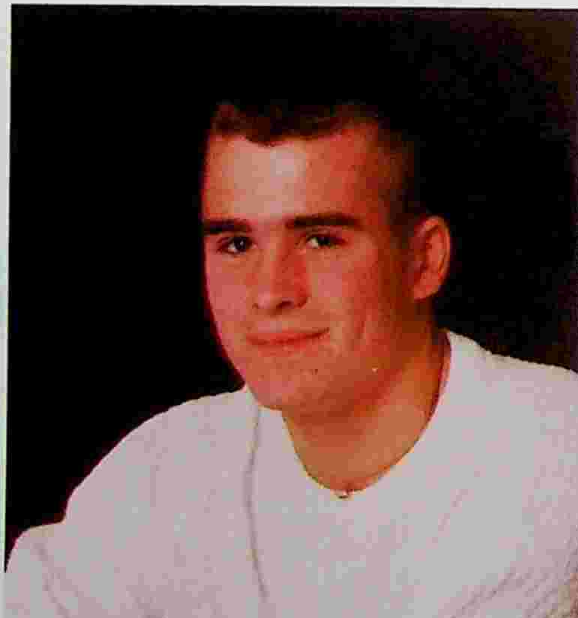

"Guys, who drank my splits?!"

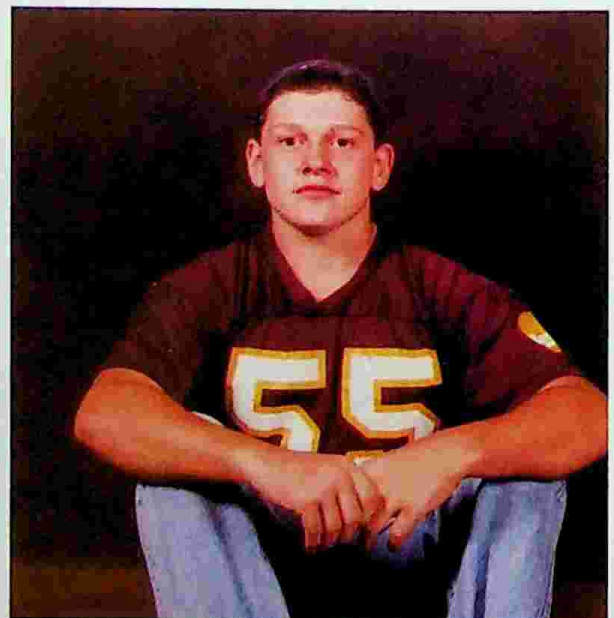

"Where is Mr. Songer?"

"What's that smile for?"

3:00 Burn Out

Matitude

I wanna be like Mike.

You don't know what you're missing!

"OH JOY!"

"You know I'm sexy!"

Pick one, Maru

Kev, we're only joking!

"If you only knew what I was thinking!"

"Really? Really?"

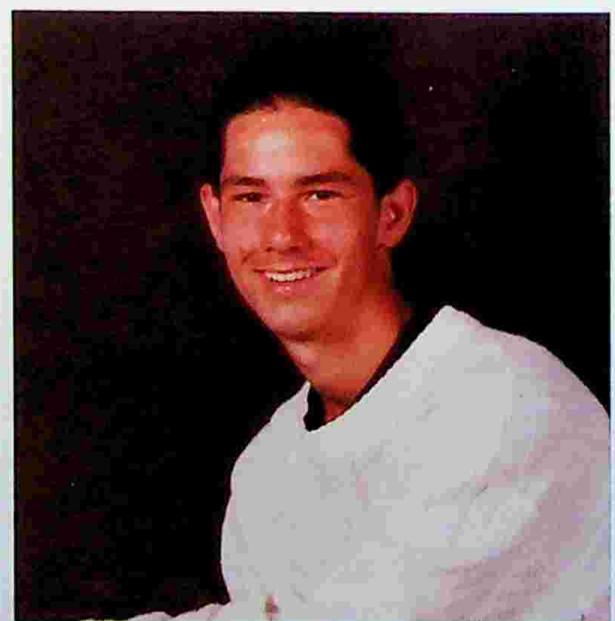

Leonard, You're my hero!

"You think I'm innocent, Don't ya!?"

"I never talk!

What's Gibby up to now?

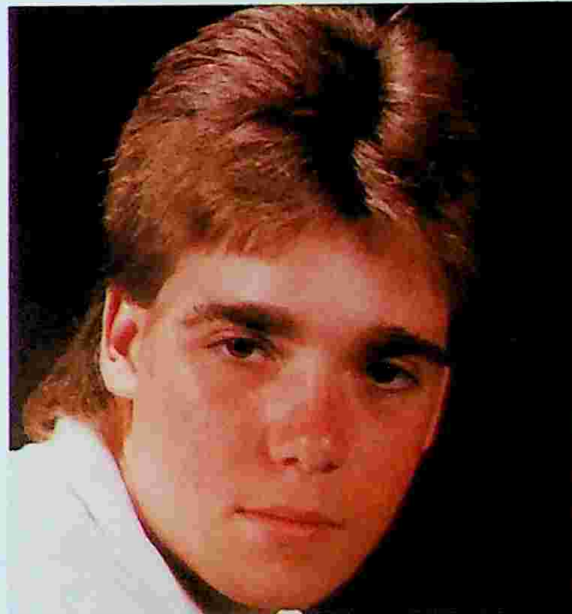

"Don't I look innocent?"

"Wanna flirt?"

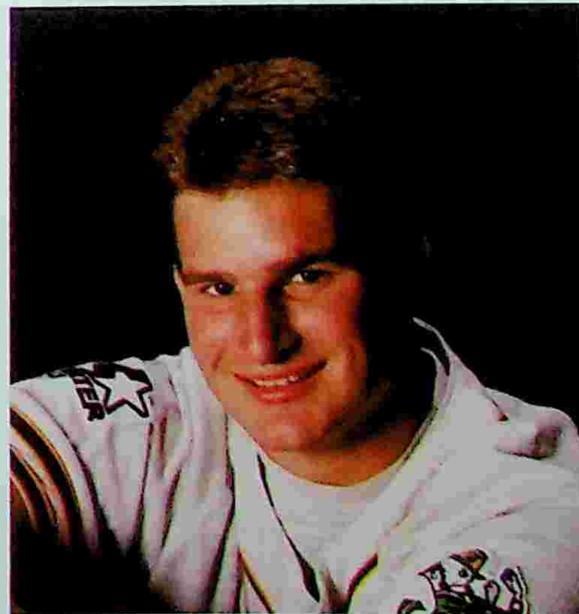

"Yeah, you want me."

"I don't want to smile!"

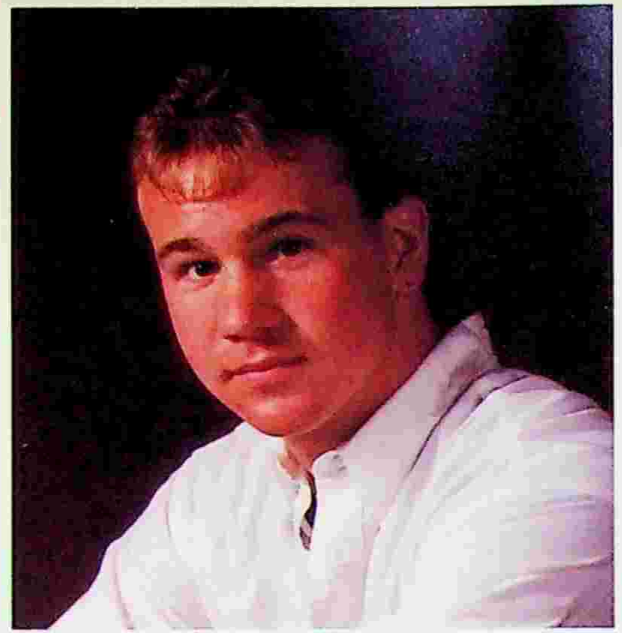

"I can't can't Ken will get mad."

"I like my butt!"

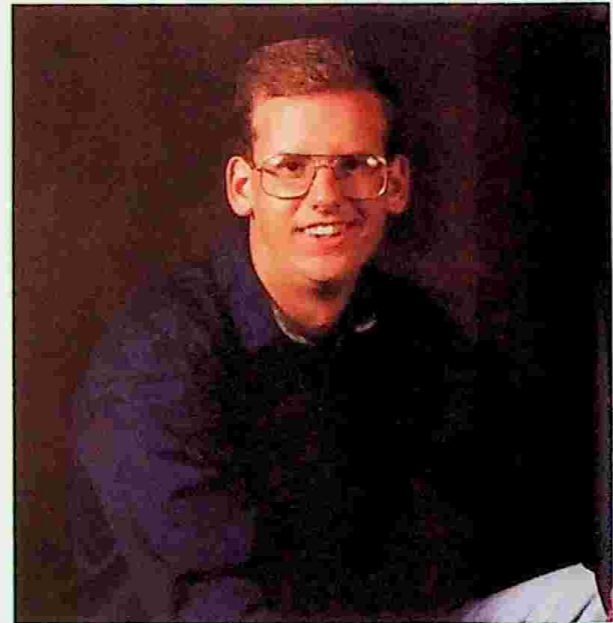

I'm not as innocent as I look.

"I've seen it all!"

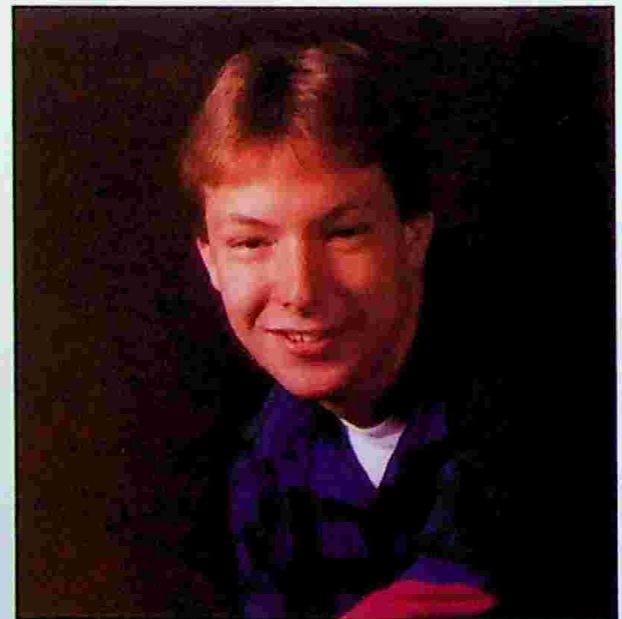

The next Tom Petty.

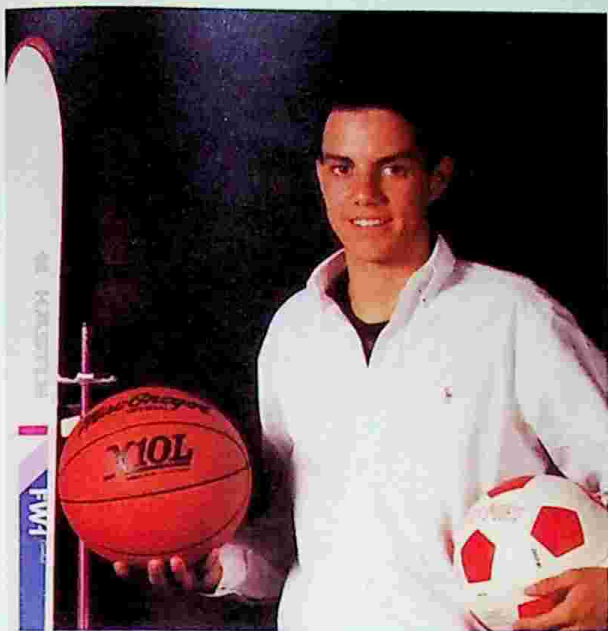

"Stewey, can I have a ride?"

Mrs. K will have that dance now!

Scammers!

"Seriously?"

"What?!"

"All fun and games until . . ."

"I don't play!"

"It's gettin' a little crazy!"

"What did ya say?"

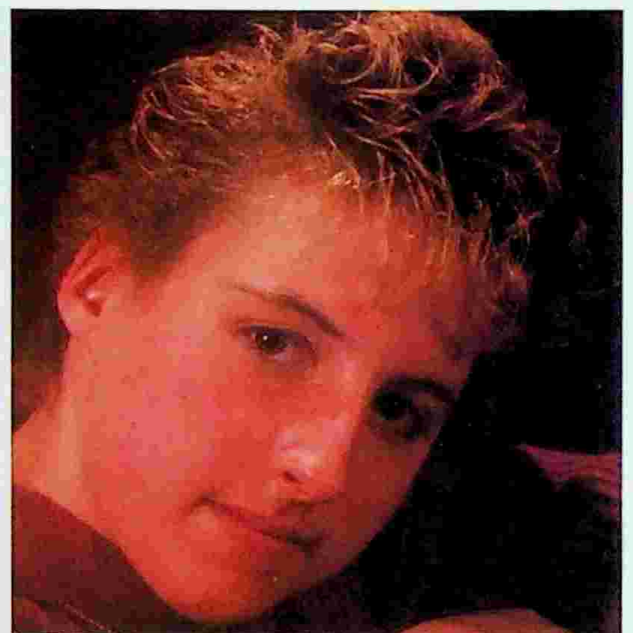

"Do you want any gum?"

"Take the picture before my hair falls!"

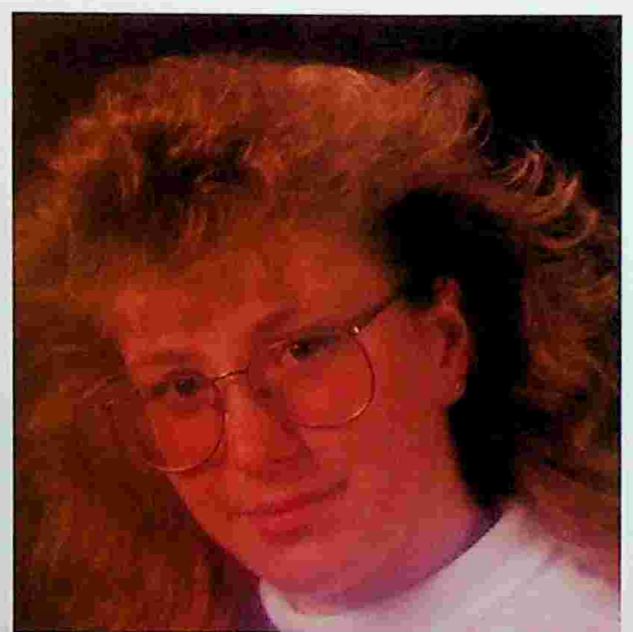

"Gotta problem with it?"

"I'm not as innocent as I look."

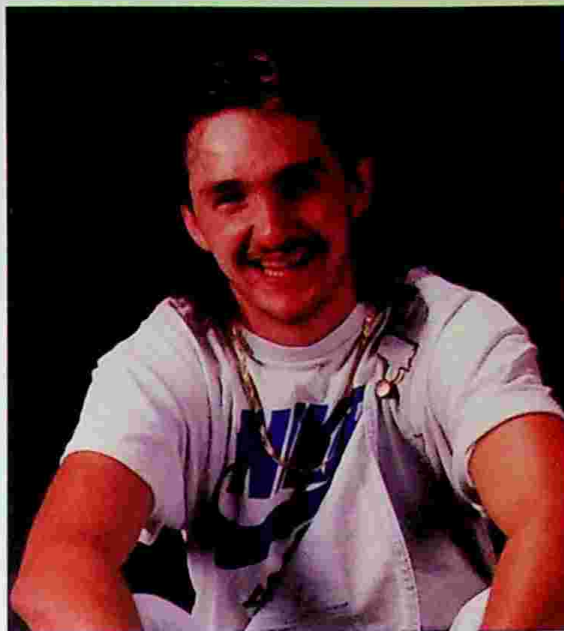

"Missy, Ginger-where are you?"

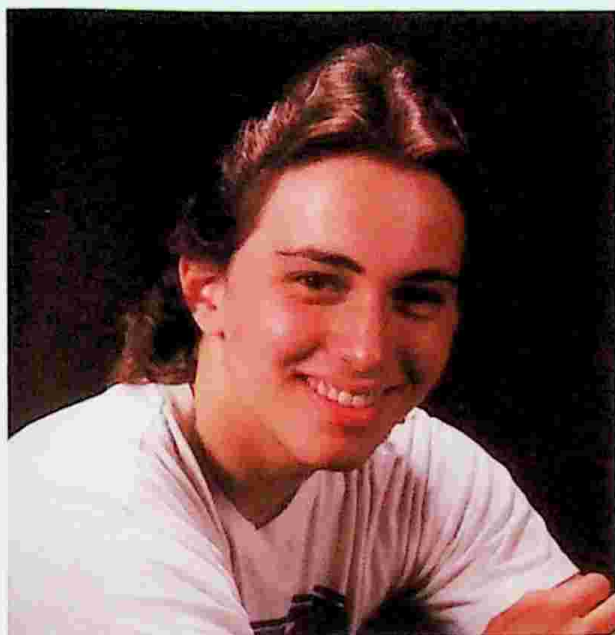

What's the smirk about?"

"I'm not shy!"

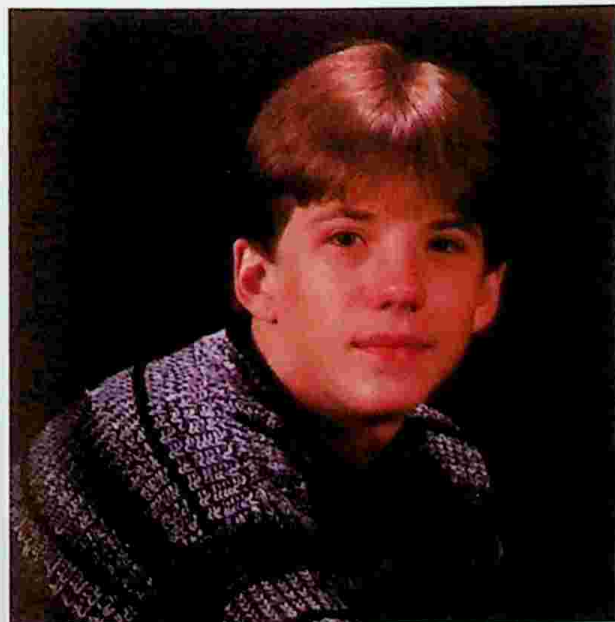

"Guess who's coming home!?"

Wonder what he's thinking behind that smile.

"Call me Monkey!!"

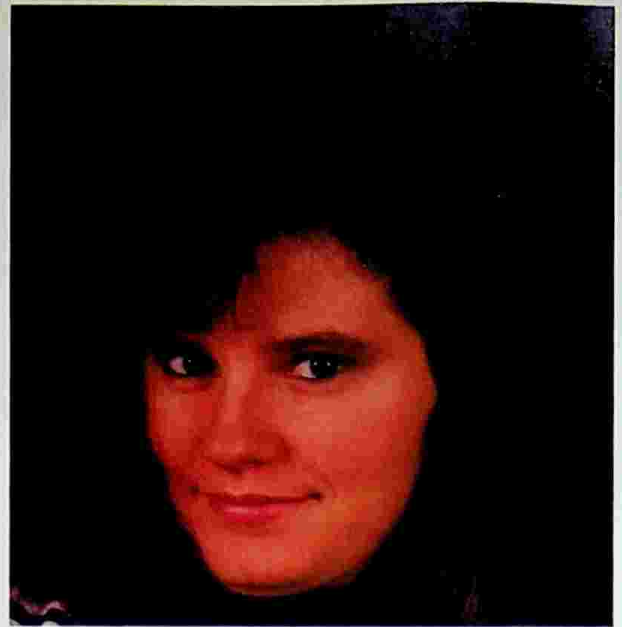

"Heey!!"

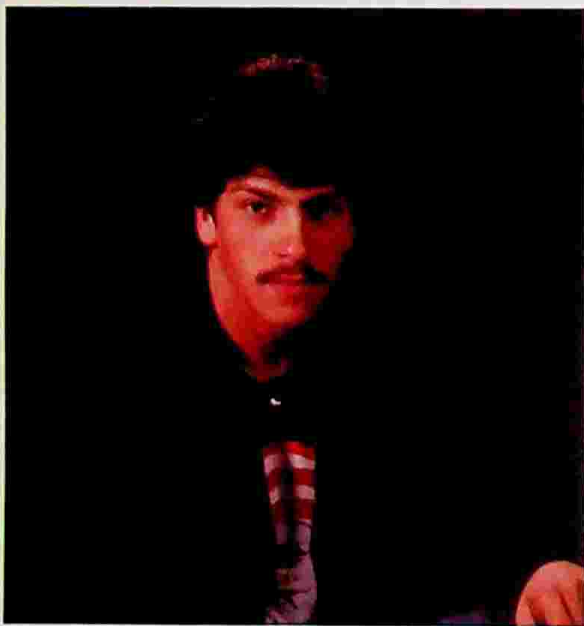

"Glad to meet ya!"

Paul, Paul, Paul

What's she up to?

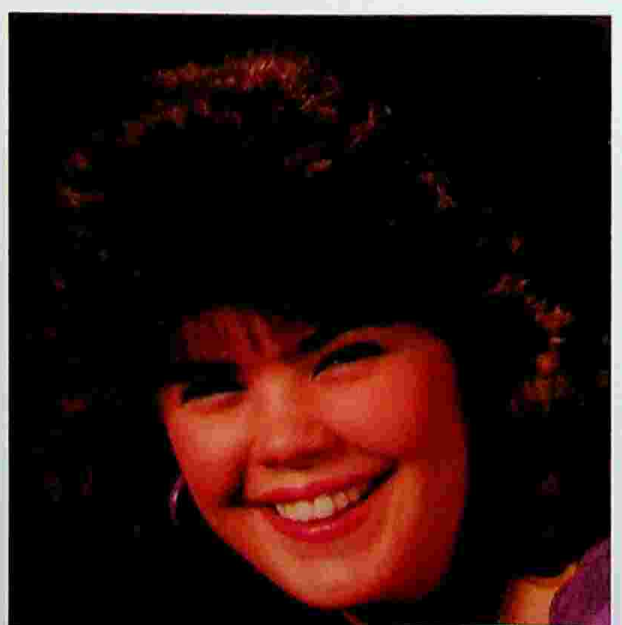

"Where's the party?"

Blondes have more fun!

"That's shot!"

"Ya Clown!!"

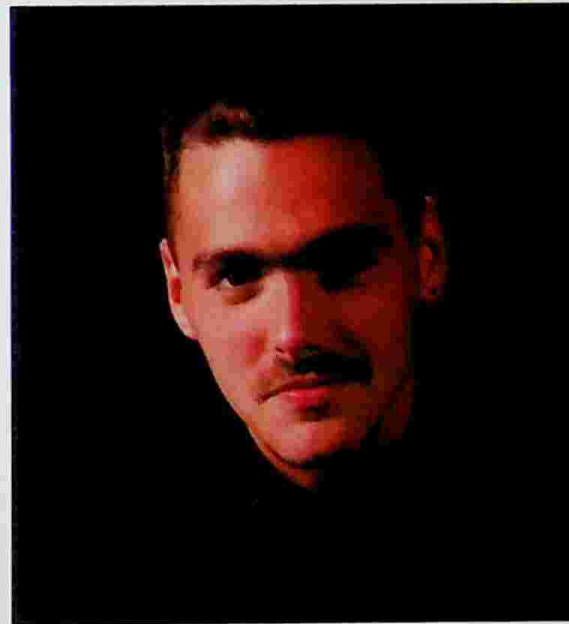

My Buddy and Me

Me Moody? Never!

And always see the best in you.

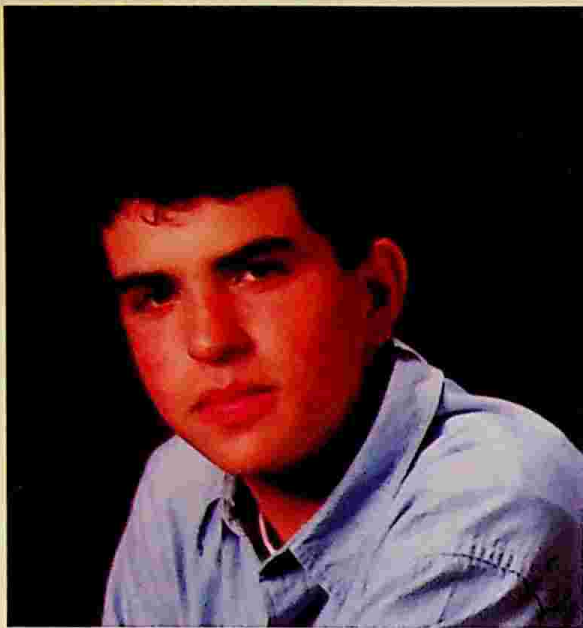

"Look at the acreage-88 chief"

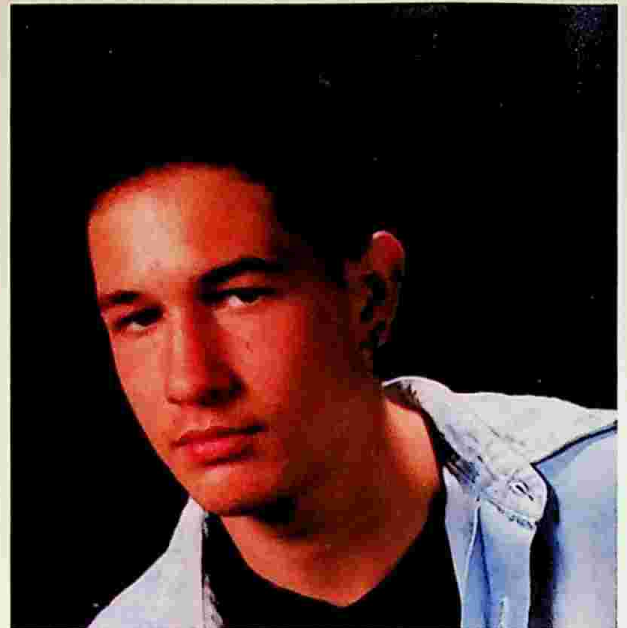

"You Bozo!"

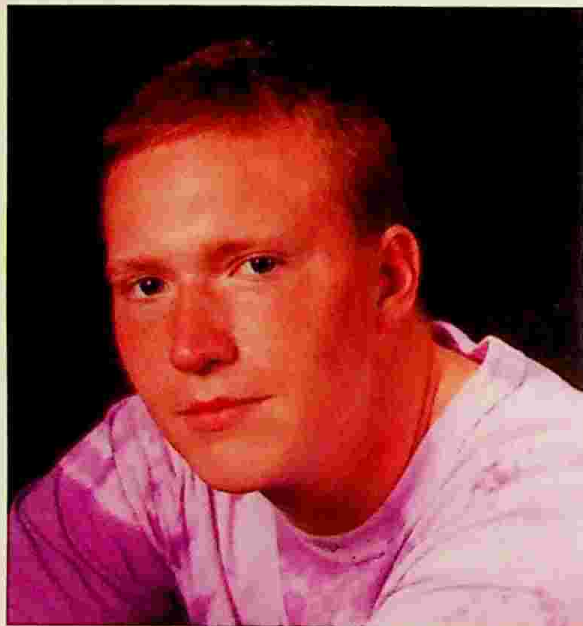

"O'B'K'B"

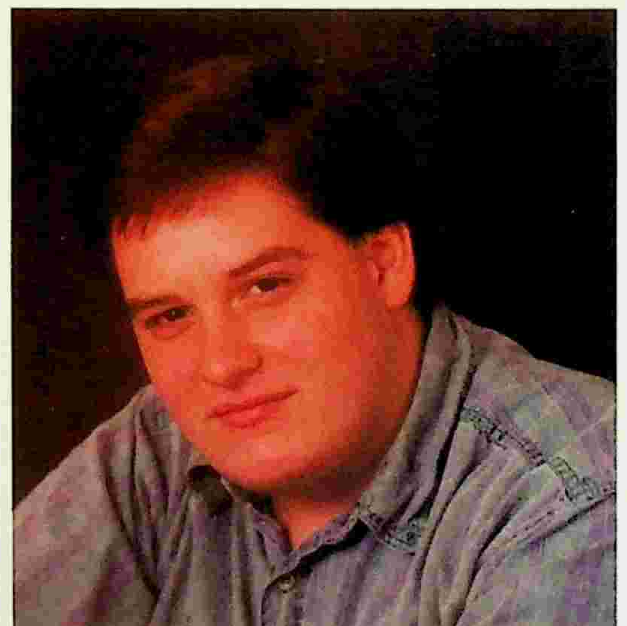

I believe ya! Not!

... Yo!!

Oh what a tangled web we weave . . .

The future God Father!

Need some help?

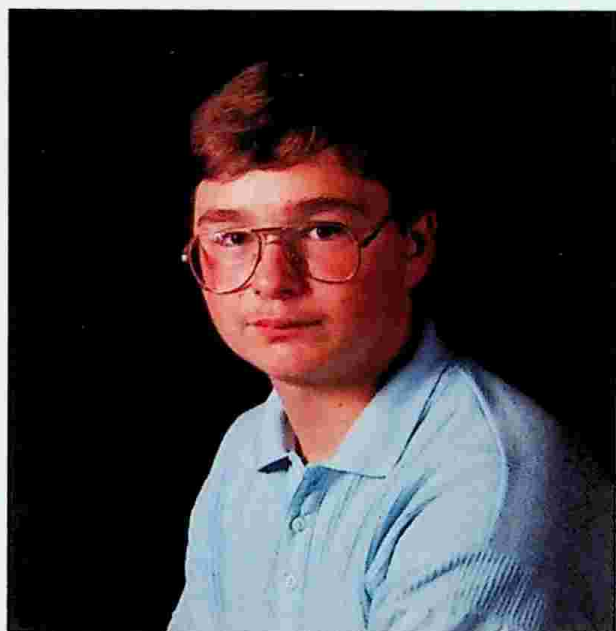

It's time to make my own music!

Hmmmmmm!

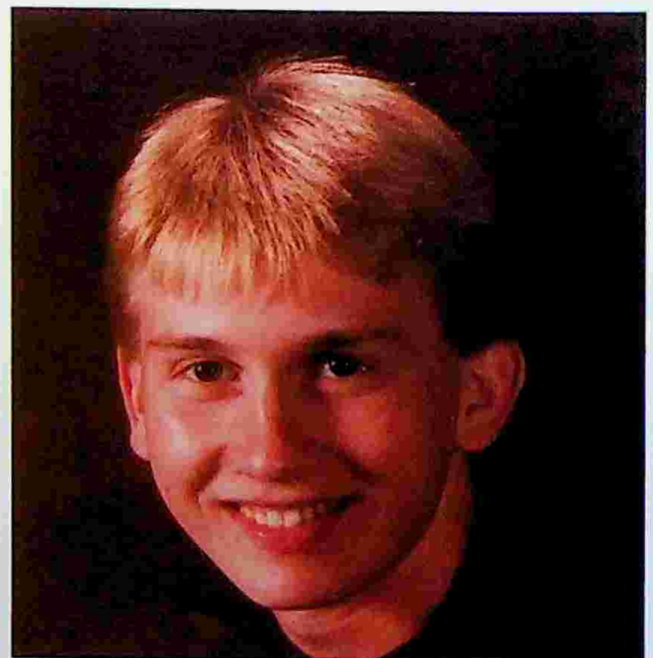

Check out those legs.

Hi! Ho! Pambol!

"Honestly!"

Look at that cute smile.

"Me . . . Flirt?"

"Do you know what I'm thinking?"

"How innocent do I look!?"

"What you up to now Rebecardo?"

"You wish!"
