presents*

**"THE WARRIOR"  
1992-93 EDITION**

# WHERE IT ALL BEGAN . . .

## Dedication

*We owe a big thanks to the people who have been there, our parents.*

*From the time we were brought into this world until now, they have helped us and guided us all through the years.*

*They have helped us with our dreams and pushed away our fears.*

*We've showed them all what we were able to do. Even if sometimes we were lost without a clue.*

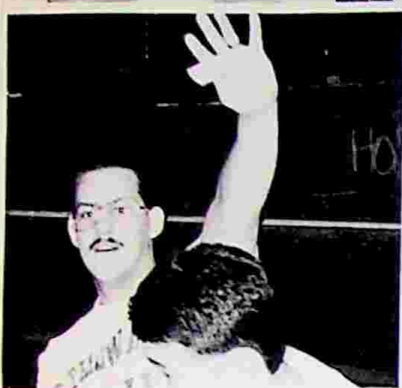

*As we move into the unknown, wherever our life leads, having you as parents we know we'll never be alone.*

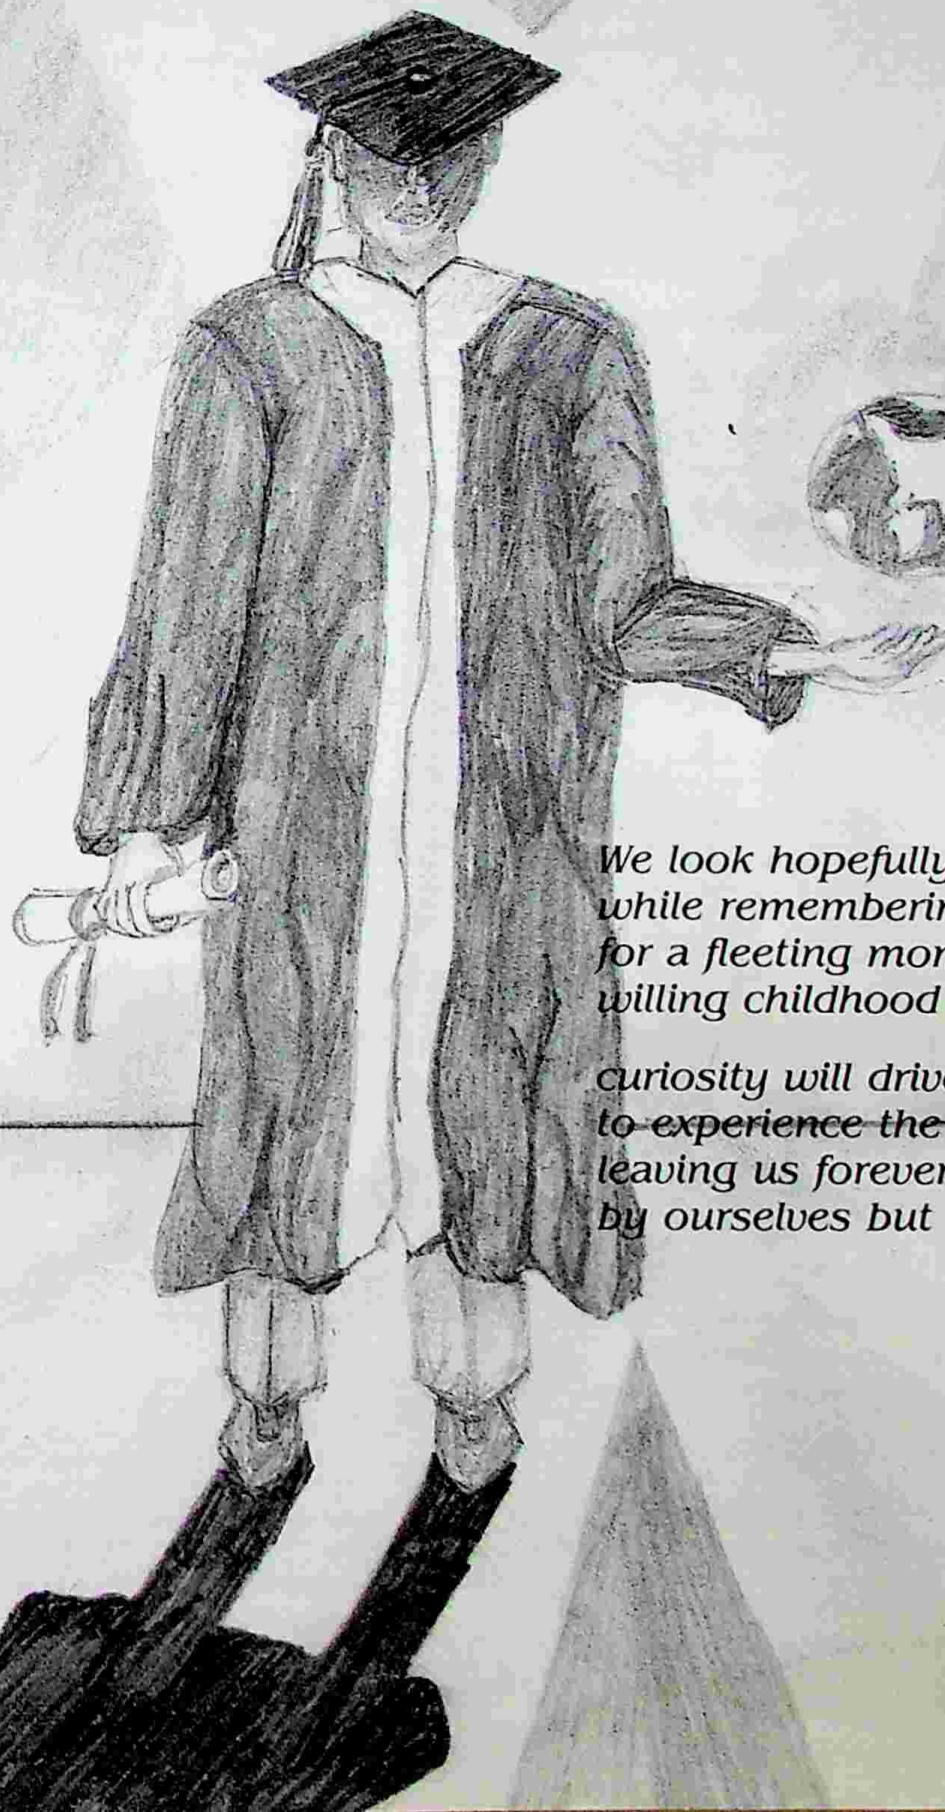

Tara D'Aloia

CLASS OF '93

*We look hopefully to the future  
while remembering the past,  
for a fleeting moment  
willing childhood to last.*

*curiosity will drive us  
to experience the unknown,  
leaving us forever  
by ourselves but not alone.*

*Jodie Vertefeuille*

# SENIOR TRADITIONS

CLASS COLOR: Black/Gold/Burgandy

CLASS FLOWER: Forget-Me-Not

CLASS SONG: You've Got a Friend — James Taylor

CLASS MOTTO:

Together we've traveled 13 years.

We've enjoyed all the laughter and endured all the tears. Together we've traveled over a very rocky road. We've struggled to the very end. But now we are told, that apart we must venture into another quest. They tell us, "Leave your past and move on. It's for the best."

So apart we now journey, that much is true,  
but let's not forget the past, instead here's what we'll do.

Together as one, we'll make a vow,  
to remember one another because someday, somehow,  
When we're Together sometime, whenever we meet again,  
We'll be able to laugh and cry, remembering our times,

**TOGETHER AS FRIENDS!!** — Stephen Mellon

## YOU'VE GOT A FRIEND — James Taylor

When you're down in trouble and you need a helping hand  
When nothing, nothings going right  
Close your eyes and think of me and  
Soon I will be there  
To brighten up, even your darkest nights

Chorus:

You just call out my name and you know wherever  
I am I'll come running oh yeah baby to see you again  
Winter, spring, summer, or fall all you've got to do is call  
And I'll be there ya, ya, ya You've Got a Friend.

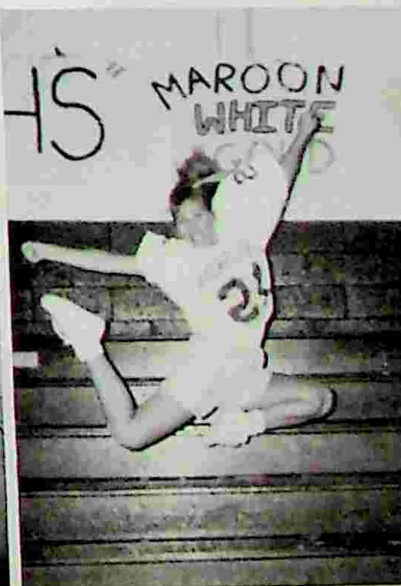

If the sky above you should turn dark and full  
of clouds and that old north wind should begin to blow  
Keep your head together and call my name out loud now  
Soon I'll be knocking upon your door

Chorus:

. . . ya, ya, ya, hey ain't it good to know  
that you've got a friend, when people can be so cold  
they'll hurt you and desert you, well they'll take your  
soul if you let them oh ya but don't you let them.

A pencil sketch of a young child crawling on a field. The child is wearing a cap and a long-sleeved shirt. In the background, there is a wooden fence with two bases labeled '30' and '40'. Above the fence, a basketball hoop and backboard are visible. The word 'SPORT' is written in large, stylized letters at the top of the page. On the ground, there are several sports items: a baseball, a baseball bat, a baseball glove, and a baseball cap.

We've crept, we've crawled,  
we've stumbled and falled,  
threw this game of life;  
we've reached, we've pulled,  
we've struggled and tried,  
threw this game of life;  
but when we come to the end of the  
field,  
or hit our last home run,  
or simply spike or make 2 points  
and know the game is done,  
we can be proud and know we sur-  
vived,  
in this game of life.

# FACULTY

Well the journey is over, and the future awaits us.  
We've had teachers that loved us, but most probably hated us.  
They've also helped us, although we probably didn't care.  
We've had teachers, that have pushed us to the limit,  
and some we've sure done the same,  
but when we were bad, we always knew who to blame?  
We've had teachers with mustaches, and some without hair,  
my God, we couldn't help but stare.  
They were leaders and part-time parents to us,  
They listened, taught, and showed us to our bus,  
Through it all, good and bad, I guess they  
really were some of the most important people  
As you probably agree.  
Thanks for everything from the Class of '93.
