*Class Motto: "We can't be beaten if we try, and give it all we've got.
Let's step outside and prove this true. It's time we got our shot."*

Class Song:

"Free Bird"

By: Lynard Skynyrd

*If I leave here tomorrow
would you still remember me
For I must be traveling on now
there's too many places I gotta see
And if I stay here with you girl
things just wouldn't be the same
For I'm as free as a bird now
and this bird you cannot change
and the bird you cannot change
and the bird you cannot change
Bye bye it's been sweet love
though this feeling I can't change
Please don't take it so badly
Lord Knows I must play
And if I stay here with you girl
things just wouldn't be the same
For I'm as free as a bird now
and this bird you cannot change
and the bird you cannot change
and the bird you cannot change
Lord knows I can't change*

*United as a team
When we all started out,
With one common dream,
Never acknowledging doubt.*

*We sketched out a course
To what lies ahead,
With no sense of remorse,
No feeling of dread.*

*Unity has made us strong,
In the end we will prevail,
With a sense that we belong,
For in life we cannot fail.*

*We stand together one last time,
Before we play life's little game,
The clock strikes its final chime,
Our world will never be the same.*

*After this day
We scatter like mice,
We all go our own way,
ROLL our own dice.*

*Our lives have changed with the blink of an eye,
And through it all, we'll keep our own goals in sight.
There is no time to stop and cry,
We must forge ahead strongly in our flight.*

*We have so much to say
As we pass through the door,
In our hearts SHS will always stay,
Like in the hearts of others who have passed before.*

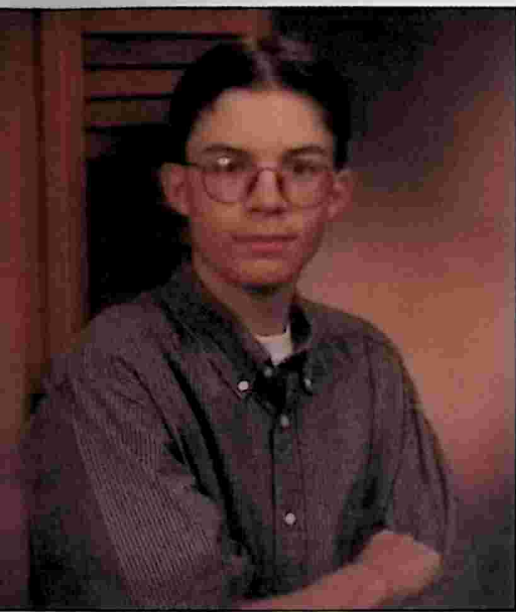

*As we stand before the crowd,
We realize life is an endeavor,
We all stand tall and proud,
Because the class of 2000 will be remembered FOREVER!*

Dear Class,

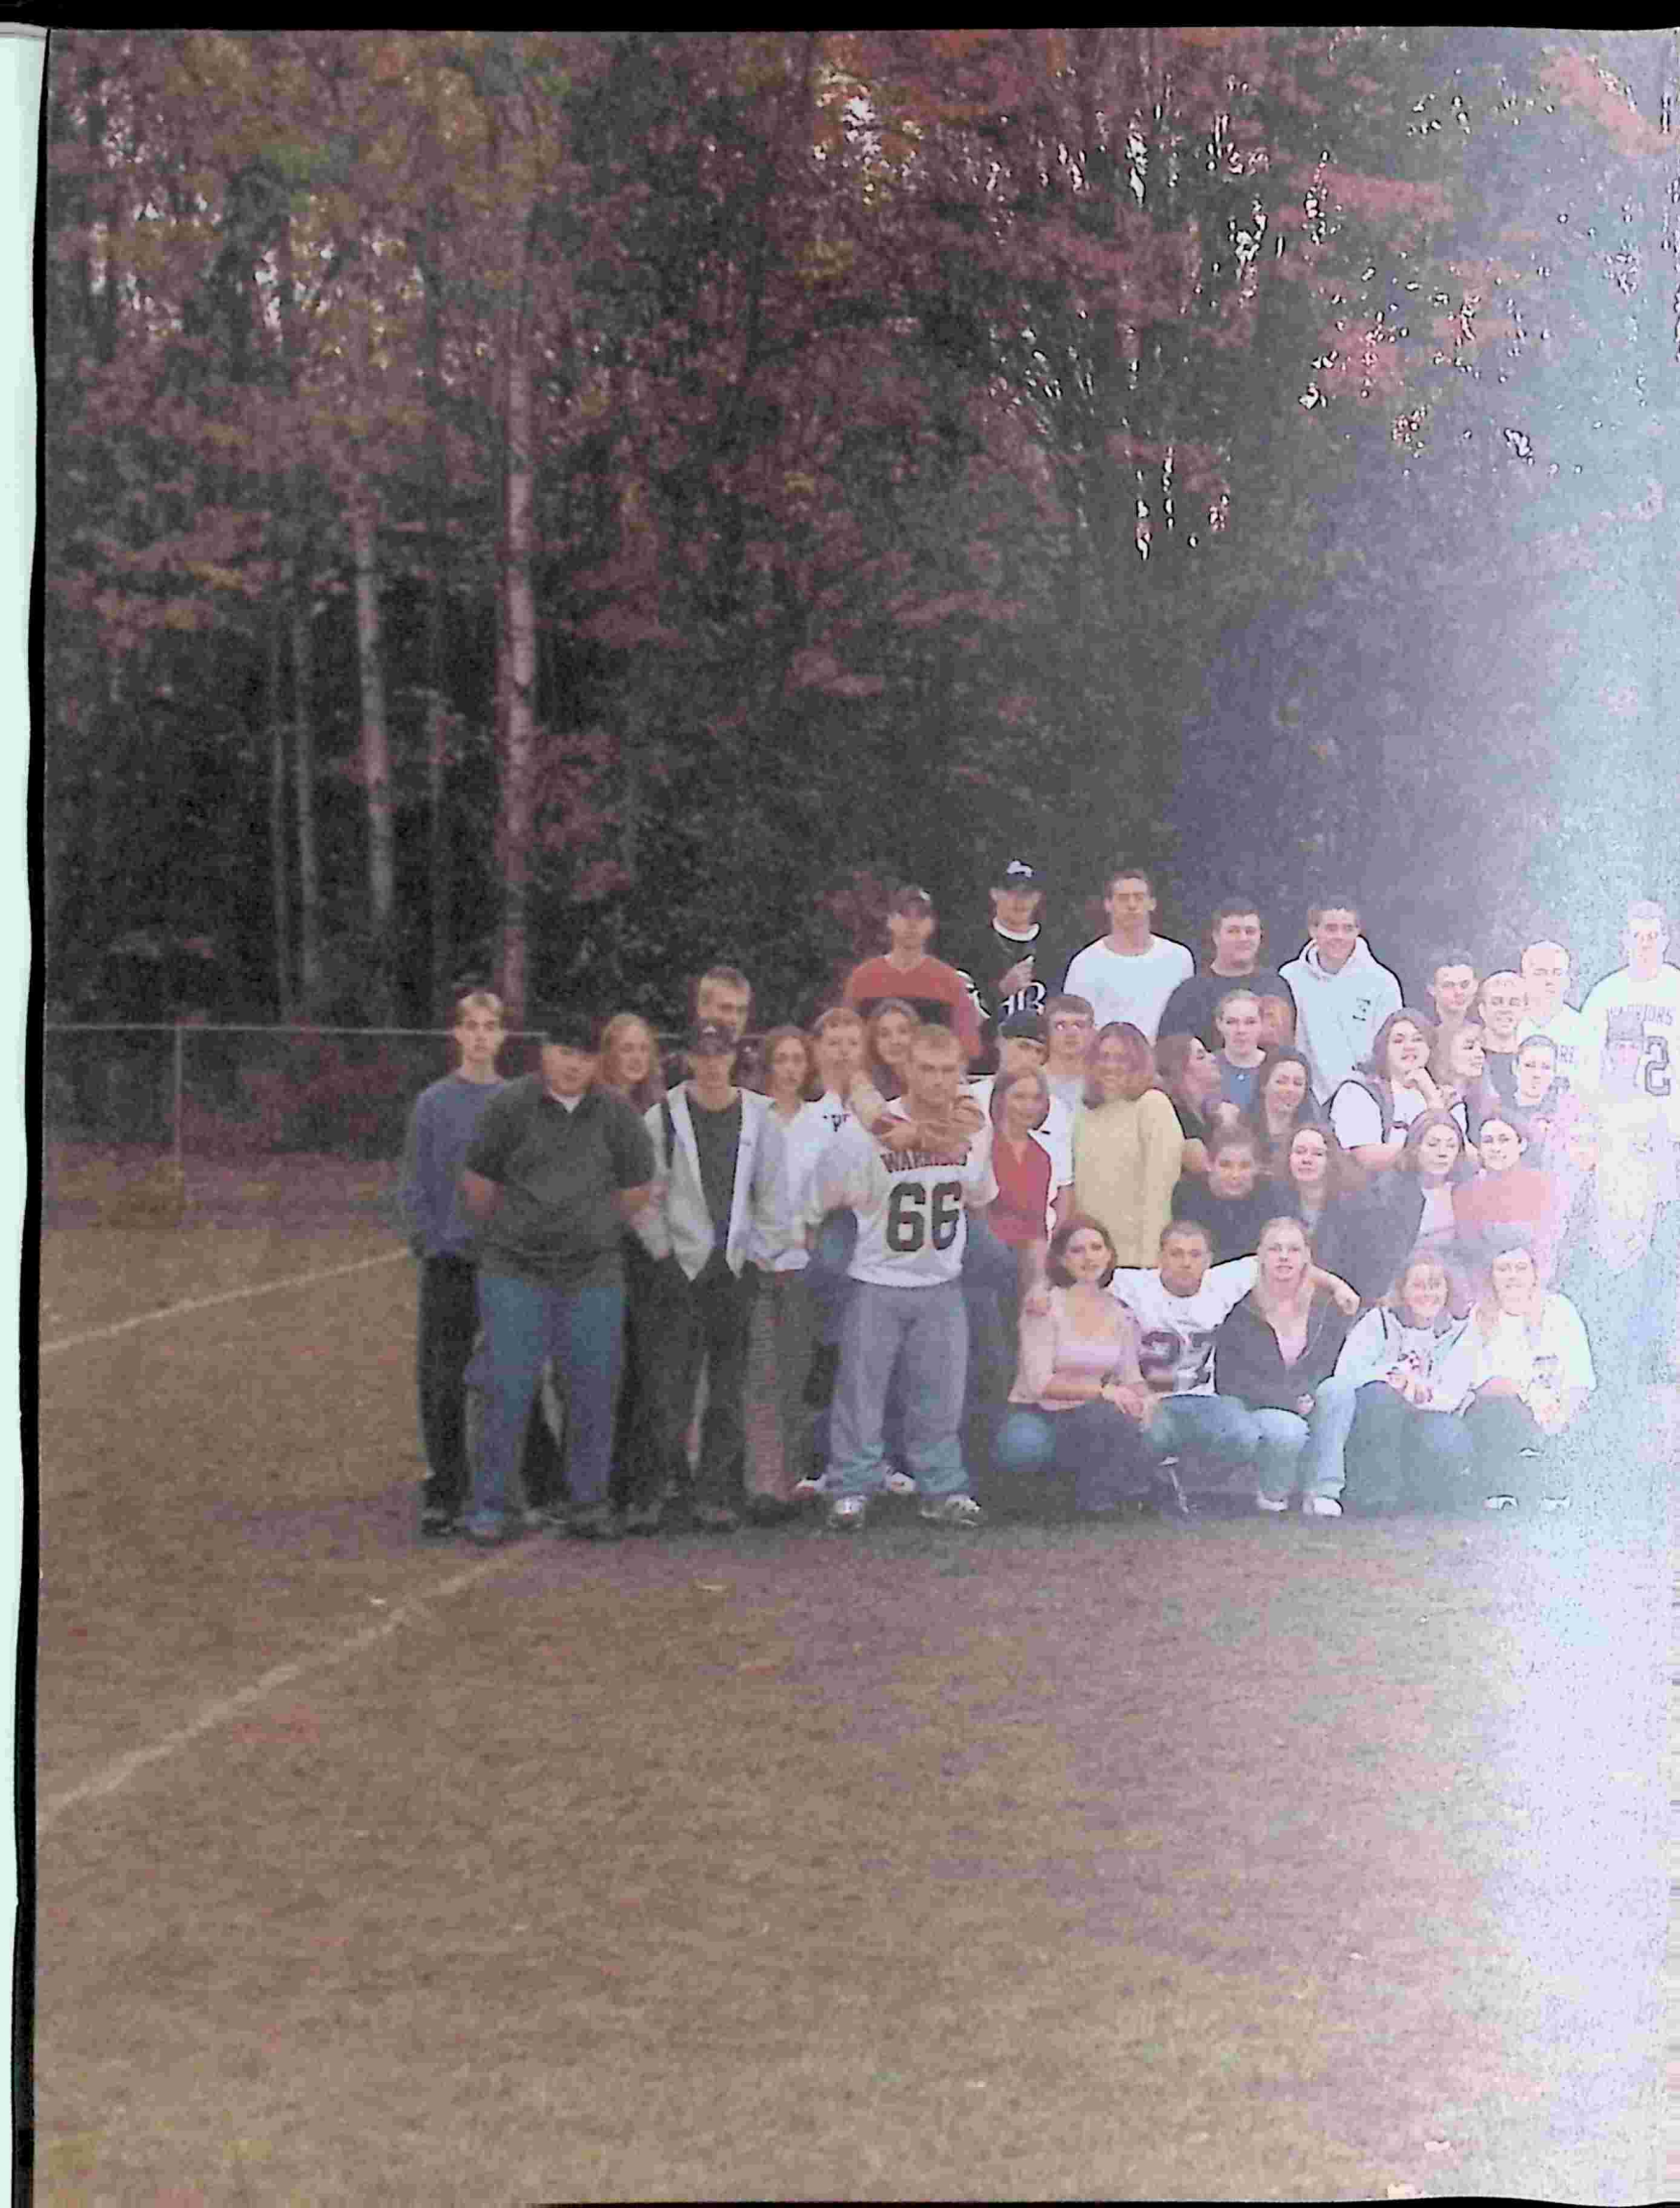

As a class we've stood from K through 12,
We've stood with unfelt fear,
We've stood together through the times,
And now the end draws near.
We stand and think of good times past
When we were all so pure.
Back then the world seemed far away,
Back then faith had no cure.

Slowly we have all grown up
And learned the world was there.
Now whether it be bad or good,
We haven't time to care.
For now we stand but not for long,
What's stood for we can't say.
We stand and search through emptiness
For youth thought tossed away.

Can this be the end of fun?
Will our hearts survive?
We hope that life has just begun,
For our goals we strive.
We can't be beaten if we try
And give up all we've got,
Let's step outside and prove this true,
It's time we got our shot.
