Always

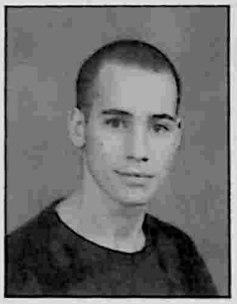

We were once so very small
and lost in this giant hall.
As we grew, we always felt the same;
We were too young to enter the game.
We never knew how we were changing.
The end was just too much to imagine.

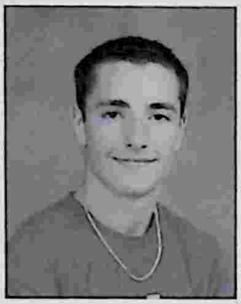

Now we have one last day to smile together,
to make this time live on forever.
If we should never meet again
I want you to know this my friend,
the world may change, we may too,
Buy always I will remember you.

Warrior Pride

"The Town"
Middle-class America
Their children an extension suspended in time
A town by a river, a mill, or a plant
Holds people that have been built, torn down, and reconstructed
It's the blueprint of our country
How simple it all can be
Roots planted deep into family
Extending upon a field
"Fathers"
It is a game begun by the fathers
Continued by the sons
It's a contest of generations
What better a way of life than to live in others' shadows
But to emerge from those who have cast them upon us
Maybe they will feel alive again
As we live a life of our own
But pride lives within these men
Past glories are resurrected by glimpses of victory
Placed before them and grasped by their flesh and blood
I wonder, have you ever seem a man really live?
I have
I have seen a man live through me
Through my victory
"Warriors"
Rivalry feeds on adrenaline
Pumped through veins by a hit
Conveyed by a scoreboard
Down to the men who taught us to make such a hit
On a field where heroes are made by domination
Physical and mental
All heart, power, strength
Explodes from aggression
"Pride"
Ever witness a glance of fear suspended within another's eyes
I have
I have worked hard to impound such fear in those eyes
Every lift, every squat, every shout to achieve a max
They all live within the beast of the contact
Every yard
Every pump of muscle which clicks tenths off a watch
Burns to see victory
Never has a mind regressed
Regressed to such a savage stage of purity like this
Only power matters here
Power wrapped in tradition
"Team unity, pride, total effort"
It is the game that keeps us working
It is the game that lives within us
Begun by others
Continued by us
Never tainted
Only held sacred by those who play
This is pride
Warrior Pride.

ABERDEEN

I Miss You

The days are short,
the years are long.
I will miss you when you're gone.
My best friend,
my favorite ally,
promise me you will not cry.
I love the way you make me smile.
We'd just sit and talk for a while.
I'll never forget your crazy ways,
or those short but fun-filled days.

Teachers Teach What They Will Never Know

Teachers teach what they will never know,
However thoroughly they may prepare.
After all the books and lesson plans,
No test can touch the things that make us care.
Knowledge is not the choicest seed they sow.

Your devotion is a pair of hands
Offering a sculpture fierce and rare,
Unveiling a place where I must go.

I Will Remember You

I will remember you
Will you remember me?
Don't let your life pass you by
Weep not for the memories.

Remember the good times that we had?
I let them slip away from us when things got bad.
How clearly I first saw you smilin' in the sun
Wanna feel your warmth upon me, I wanna be the one.

I will remember you
Will you remember me?
Don't let your life pass you by
Weep not for the memories.

I'm so tired but I can't sleep
Standin' on the edge of something much too deep.
It's funny how we feel so much but we cannot say a word.
We are screaming inside but we can't be heard.

But I will remember you
Will you remember me?
Don't let your life pass you by
Weep not for the memories.

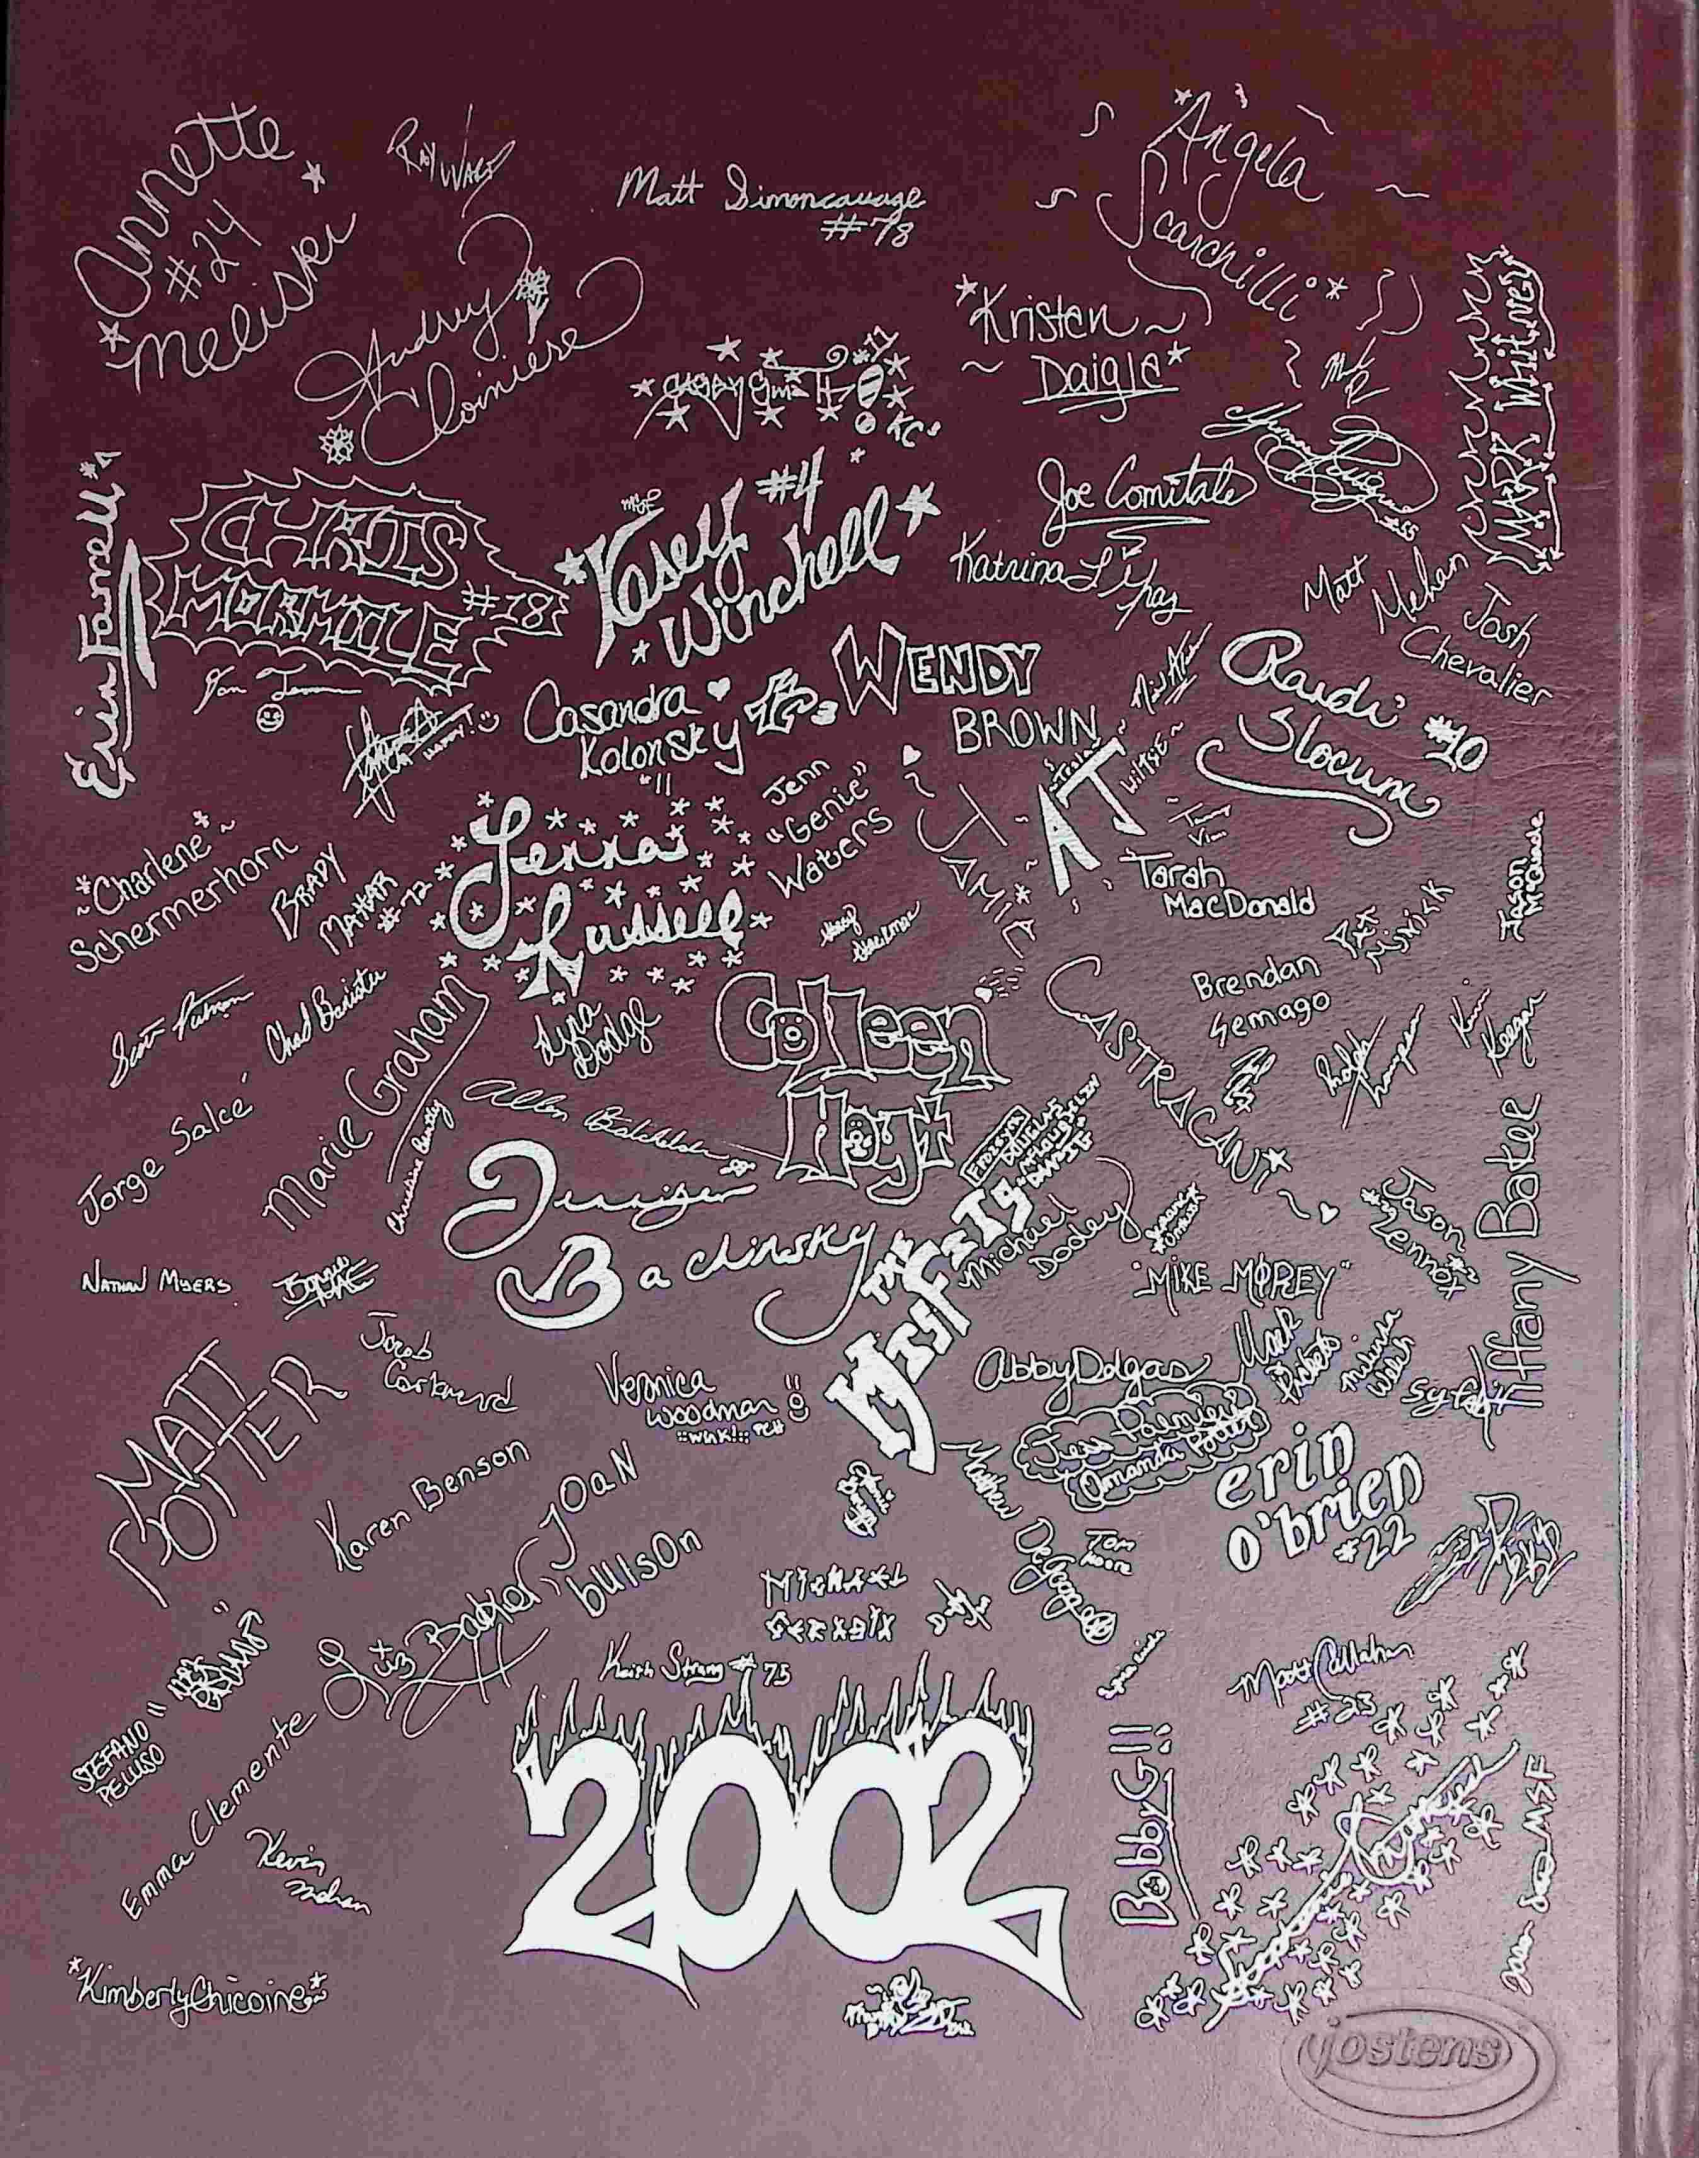

I'm so afraid to love you, but more afraid to lose
Clinging to a past that doesn't let me choose.
Once there was a darkness, deep and endless night
You gave me everything you had, oh you gave me light.

And I will remember you
Will you remember me?
Don't let your life pass you by
Weep not for the memories.
