I ate a fish and we all got naked
and then a huge dragon came and
took my hat. I really liked that
hat too....

"Our Lives"

Is it love tonight
When everyone's dreaming
Of a better life
In this world
Divided by fear
We've gotta believe that
There's a reason we're here
Yeah, there's a reason we're here

Cause these are the days worth living
These are the years we're given
And these are the moments
These are the times
Let's make the best out of our lives
Even if hope was shattered
I know it wouldn't matter
Cause these are the moments
These are the times
