CLASS SONG: FAMOUS FINAL SCENE

Think in terms of bridges burned,
Think of seasons that must end,
See the rivers rise and fall,
They will rise and fall again,
Everything must have an end,
Like an ocean to a shore,
Like a river to a stream,
Like a river to a stream,
It's the famous final scene.

And how you tried to make it work,
Did you really think it could,
How you tried to make it last
Did you really think it would,
Like a guest who stayed too long,
Now it's finally time to leave,
Yes, it's finally time to leave
Take it calmly and serene
It's the famous final scene.

It's been comin all so long
You were just the last to know,
It's been a long time since
You've smiled,
Seems like oh so long ago.

Now the stage has all been set,
And the nights are growing cold,
Soon the winter will be here
And there's no one warm to hold
Now the lines have all been read
And you knew them all by heart,
Now you move toward the door,
Here it comes the hardest part,
Try the handle of the road
Feeling different, feeling strange,
This can never be arranged,
As the lights fade from the screen,
From the famous final scene.
