

Stillwater Public Library Brick Fundraiser

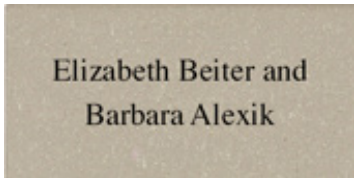

First of all, I would like to thank you for your support of the Stillwater Public Library! The Stillwater Public Library has grown and strengthened in the past ten years thanks to the support of people in this community, past and present.

We will line what will become the community room with bricks engraved with the names of our supporters for future generations to see and appreciate. Each \$250 brick will be set indoors offering full protection from the elements. You may choose to memorialize yourself, your loved ones, or your company name. Generations to come will be able to see your chosen personalization and know that you were a part of this amazing project.

We feel very strongly that with the right support behind us, we can hit this target. Every effort made now will greatly reduce the referendum put before the public. We need your help in this - THANK YOU!

\$250 - 4x8 Brick
